

6 Sales Closing Questions

- 1 What else needs to happen for you to buy?
- 2 Taking everything into consideration, I think one of these two plans would work best for you. Would you like to go with [X] or [Y]?
- 3 Are you ready to implement [the product] at your company?
- 4 If we could find a way to deal with [objection], would you sign the contract on [set period in time]?
- 5 On a scale of 1-10, how confident are you that our product will meet your needs?
- 6 You mentioned needing a solution by [X date]. If you signed up by [Y date], I can guarantee we have enough time for training and implementation. How does that sound?

Ask The Sales Coach-Practical Answers to the Questions Sales People Ask Most Susan A. Enns, 2019-02-20 Contrary to the popular belief sales people don't rely on the gift of the gab to be successful Actually the opposite is true The best sales professionals spend far more time asking and listening than they do talking and selling They ask questions of their customers they ask questions of their colleagues and they ask questions of their managers If Oxford

defines curiosity as the strong desire to know or learn something then by that definition sales people are curious by nature In fact that s how sales professionals learn to be professional in the first place This is a collection of practical answers to questions sales people ask most Written by Susan A Enns a professional sales coach with a proven track record of sales excellence over her 30 plus year career Her accomplishments include consecutively being the top sales rep in Canada managing the top sales branch and achieving outstanding sales growth in a national channel sales organization She has written several books about sales and sales management and has created numerous automated sales tools Her work has been published in several locations numerous times and has sold on five separate continents As such over the years Susan has been asked many questions by many sales people After a while she saw that sales people regardless of their experience the products they sell the industries in which they operate or the countries where they sell all share similar curiosities In other words although the wording may be different when asked in an email or when asked in person sales people all ask the same questions the most common of which are answered in this ebook As the old saying goes the only stupid questions are the ones unasked As a sales professional you should never be afraid to Ask the Sales Coach because you will learn so much from the answers Susan really knows the selling world She s honest articulate bright giving highly competent personable and a top professional Welcome her It s the right thing to do Our company hired Susan as our sales coach She has helped me make more appointments close more deals and make more money The 3 most important concepts in sales I would recommend any sales force hire her to help boost business sales Susan understands the sales process intimately and is able to create a management process around it that drives sales people to accomplish their goals Susan knows her stuff She brings many years of great sales experience and success to anyone who wished to improve their skills in sales She is very personable and is not afraid to tell it like it is I would recommend anyone and I have to Susan her website her books if you want to become a better sales person Thanks for the training I made my quota this year in May *Sales Force Management* Gregory Rich,Rhett Epler,2024-09-25 Formerly published by Chicago Business Press now published by Sage Sales Force Management is a comprehensive guide to leading sales teams in today s dynamic business landscape offering practical insights strategies and tools to navigate the challenges of modern sales management effectively The Second Edition also delves into how technology such as artificial intelligence is reshaping sales force operations in the post pandemic era The Organized Sales Plan Randy A. Shuman,2022-05-04 Whether you are already in sales or you are thinking about a career in sales this book was written for you Regardless of what you sell or are thinking about selling you need to understand that most highly successful salespeople share two important attributes great organizational skills and they have a sales plan That s what The Organized Selling Plan is about There can be little doubt that whatever you sell you probably have great product knowledge and a good understanding of what your products and services can do to benefit your customers That s a given A salesperson who is not an expert about the product or service they re selling is destined to be a completely ineffective salesperson It is

the responsibility of the salesperson to be able to explain in detail how each product or service works what value it offers and the reasons that it is right for your customers Expert product knowledge is one of the few things that separates the top salespeople from the rest However they also have a strategy which organizes and defines their sales plan establishes goals and objectives and identifies the steps needed to ensure success This book addresses all the necessary steps to the sale that must be executed with precision to ensure your success Lacking proficiency in any one or more of these steps could be costing you sales and commissions Sales is all about knowledge and knowledge is power The ultimate goal is for you to use this information to develop your own organized selling plan and excel at whatever you sell Wishing you nothing but success
