**Naval Occasions, and Some Traits of the Sailor-Man** Bartimeus, 2024-08-19 *Naval Occasions and Some Traits of the Sailor Man* written by Bartimeus offers an insightful and engaging depiction of life at sea during the early 20th century through a series of short stories and character sketches. The book delves into the daily experiences, challenges, and camaraderie of sailors, capturing the essence of naval life with authenticity and detail. Themes of duty, resilience, and the human spirit are central to the narrative, reflecting the complex dynamics of naval service. These themes are particularly relevant today as they resonate with contemporary discussions about commitment, mental health, and the importance of community support in high-pressure environments. The sailors' stories of bravery and solidarity highlight the timeless nature of human perseverance and the significance of teamwork, which can be seen in modern contexts such as military service, frontline healthcare, and emergency response teams. Bartimeus's portrayal of the sailor man emphasizes traits such as loyalty, adaptability, and a sense of humor in the face of adversity. These characteristics are not only historically significant but also pertinent to today's societal issues as they underscore the value of resilience and camaraderie in overcoming challenges. In a world increasingly characterized by rapid change and uncertainty, the book's focus on these enduring human qualities offers valuable insights and inspiration. Through its rich narrative and vivid characterizations, *Naval Occasions and Some Traits of the Sailor Man* serves as a bridge between the past and present, providing modern readers with a deeper understanding of naval history and its ongoing relevance. The book's exploration of universal themes such as sacrifice, brotherhood, and the human condition ensures its continued significance and appeal, making it a compelling read for those interested in history, literature, and the enduring spirit of humanity.

***A Plain Sailorman in China*** Bruce Swanson, Don H McDowell, Nancy N Tomasko, Vance H Morrison, 2012-07-15 *A Plain Sailorman in China* is a biography of Cdr Irvin Van Gorder Gillis USN that recounts both his extraordinary family history, a fascinating slice of Americana in the 1800s, and Irvin's multi-faceted career as a naval officer for 25 years and then as a successful rare Chinese book collector. Son of a U.S. Navy Rear Admiral and a U.S. Naval Academy graduate in 1894, he distinguished himself academically at the Academy and soon operationally while serving aboard his first U.S. Navy warships. Assigned to a torpedo boat in the Spanish American War, he was hailed a hero for disarming a live Spanish torpedo while it was still floating in the sea. A talented naval engineer as well as leader of men, Gillis rapidly was selected to command a series of U.S. Navy warships, initially the torpedo boat in which he served during the war. His second command, USS Annapolis, took him to Asia for the first time where he saw action in the Philippines during the insurrection there. After another tour in command of a monitor assigned to China and service in two battleships, he was assigned as Assistant U.S. Naval Attaché in Tokyo to observe the Russo-Japanese War. Following more sea duty in the Atlantic, he was sent to Peking as the first U.S. Naval Attaché to China, a job he held three times over the following 12 years. Following the second of these tours and during his first period of retirement from the Navy in 1914, he was designated as chief

intelligence officer for the Navy in China and perhaps for other government intelligence collectors as well while simultaneously working for Bethlehem Steel Corporation and Electric Boat Company as their China representative to sell warships to the Chinese Navy In 1917 he was recalled to active duty for his third tour as U S Naval Attach to China to replace the incumbent who was reassigned to command a destroyer in World War I Following the end of the war Gillis was released from active duty and settled into his life as a civilian Married to a Chinese princess possibly with two children he remained in China from 1914 until his death in 1948 primarily collecting sorting cataloguing binding and shipping tens of thousands of volumes of rare Chinese manuscripts that ultimately were to reside in Princeton University s East Asian Library During World War II he and his wife were interned at the former British Embassy in Peking returning after to war to his old home near the Forbidden City until his death a few years later     The Dog and the Child and the Ancient Sailor Man Robert Alexander Wason,1913     Sailor Town Days Cicely Fox Smith,1923     Catty Atkins, Sailorman Clarence Budington Kelland,2024-01-05 Catty Atkins Sailorman is a novel written by Clarence Budington Kelland first published in 1921 Clarence Budington Kelland was an American author known for his humorous and heartwarming stories Excerpt It seems as if Catty and I have a lot of luck and this summer we had more than usual for Mr Browning who lived in New York and was interested in all kinds of businesses invited us to go for a cruise on his yacht He was out to our town to see Mr Atkins on some sort of business and before we knew it Catty and I were friends with him and took him fishing and went around with him and the day he left he said we were to come for the cruise We were to start in July and it was hard for us to wait for the time to come around but it did come We were kind of surprised that it actually did but as Mr Atkins says if you only wait long enough any time will come We packed our stuff and took the train and when we woke up next morning we were coming into New York
