

SALOMÉ

HER LIFE
AND WORK

BY ANGELA LIVINGSTONE

Salome Her Life And Work

Edward Erwin

Salome Her Life And Work:

Salomé, Her Life and Work Angela Livingstone, 1984 Born in 1861 in Russia Lou Andreas Salome is best known for the famous company she kept But as this book reveals her relationships with Nietzsche Rilke and Freud were complex and she had profound influences on each of them This biography brings us up close to her writing as well as to her life and meeting with Tolstoy Wagner and other remarkable men It explores in depth her relationship with Nietzsche who saw in her a natural heir to his philosophy Only since knowing her I was ripe for my Zarathustra he wrote Salome's marriage was to last for 45 years yet never be consummated She had her first love affair at age 36 with a twenty one year old Rilke He wrote through the relentless force of your words my work become consecrated At fifty Salome met Freud and studied under him for two years Freud had a special admiration for Lou Andreas Salome wrote Ernest Jones She spent the rest of her life as a psychoanalyst her friendship with Freud was to last until her death in 1937

Women in the Works of Lou

Andreas-Salomé Muriel Cormican, 2009 Comprehensive view of Andreas Salome's fictional works focusing on her depictions of women and questions of narrative and identity The writer and intellectual Lou Andreas Salome 1861-1937 fascinates scholars of German literature because of her associations with Nietzsche Rilke and Freud and because she was active in the cultural and intellectual vanguard of late 19th and early 20th century Germany and Austria Recent editions of her fictional works have garnered wider attention from scholars of literature and theory particularly those interested in women's studies identity politics and narrative theory This study analyzes how Andreas Salome depicted women in her fictional works just as feminism was emerging revealing a complex engagement with questions of narrative and identity More than mere thematic explorations of women's changing roles in society her works investigate the concept of identity and its relationship to gender sexuality and narrative representation She is as concerned with a cultural crisis of femininity and masculinity as with the identity crises of her individual women characters This book offers the best account of Andreas Salome's literary works de-emphasizing biographical and psychoanalytical perspectives but taking into account the sociopolitical historical and cultural contexts in which they were written It also adds to contemporary theoretical discourses on gender feminism and identity

Muriel Cormican is Professor of German at the University of West Georgia Carrollton Georgia

Rilke and

Andreas-Salomé Rainer Maria Rilke, Lou Andreas-Salomé, 2014-03-24 Immensely readable a significant piece of scholarship Fred Volkmer New York Sun He would become one of the most important poets of the twentieth century she a muse of Europe's fin de siècle thinkers and artists In this collection of letters a finalist for the PEN USA translation award the poet Rainer Maria Rilke and Lou Andreas Salome a writer and intellectual fourteen years his senior pen a relationship that spans thirty years and shifting boundaries as lovers as mentor and protégé and as deep personal and literary allies

A History of

Women Philosophers M.E. Waithe, 2013-03-07 Like their predecessors and like their male counterparts most women philosophers of the 20th century have significant expertise in several specialties Moreover their work represents the gamut

of 20th century philosophy's interests in moral pragmatism logical positivism philosophy of mathematics of psychology and of mind Their writings include feminist philosophy classical moral theory reevaluated in light of Kant Mill and the 19th century feminist and abolitionist movements and issues in logic and perception Included in the fourth volume of the series are discussions of L Susan Stebbing Edith Stein Hedwig Conrad Martius Simone de Beauvoir Simone Weil Mary Whiton Calkins Gerda Walther and others While pre 20th century women philosophers were usually self educated those of the 20th century had greater access to academic preparation in philosophy Yet for all the advances made by women philosophers over two and a half millennia the philosophers discussed in this volume were sometimes excluded from full participation in academic life and sometimes denied full professional academic status

An Encyclopedia of Continental Women Writers Katharina

M. Wilson, 1991 First Published in 1991 Routledge is an imprint of Taylor Francis an informal company *Lou von Salome* Julia Vickers, 2014-11-29 The daughter of an illustrious Russian general Lou von Salome left her home in the heart of Tsarist Russia to conquer intellectual Europe at the tender age of 18 Eventually settling in Germany she became a best selling novelist a groundbreaking essayist and a well known literary critic In addition to all this Salome was a real life muse for some of the most brilliant men of her time This biography tells the story of Salome's entire life and career focusing on her young adulthood celibate marriage with linguistics scholar Carl Friedrich Andreas rumored affairs with Friedrich Nietzsche Rainer Maria Rilke and several other authors and poets and her relationship with Sigmund Freud which was marked most notably by their contrasting views of psychoanalysis

Women, Emancipation and the German Novel 1871-1910 Charlotte

Woodford, 2017-12-02 In novels written at the end of the long nineteenth century women in Germany and Austria engaged with some of the most pressing social questions of the modern age Charlotte Woodford analyses a wide range of such works many of them largely forgotten in the context of the contemporary cultural discourses that informed their creation such as writings on pacifism and socialism prostitution birth control and sexually transmitted diseases Women's experience of contemporary medicine as patients and doctors is a fascinating theme treated here by several authors Through a close reading of works by Marie von Ebner Eschenbach Minna Kautsky Gabriele Reuter Helene Bohlau Ilse Frapan Hedwig Dohm Lou Andreas Salome and others this study shows how writers' determination to validate women's experience of the problems of modernity informed the aesthetic development of the novel by women

Women Philosophers in the Long Nineteenth Century Dalia Nassar, Kristin Gjesdal, 2021 The long nineteenth century the period beginning with the French Revolution and ending with World War I was a transformative period for women philosophers in German speaking countries and contexts The period spans romanticism and idealism socialism Nietzscheanism and phenomenology philosophical movements we most often associate with Hegel Schopenhauer Kierkegaard Nietzsche and Marx but rarely with women Yet women philosophers not only contributed to these movements but also spearheaded debates about their social and political implications While today their works are less well known than those of their male contemporaries many of these women philosophers were

widely read and influential in their own time Their contributions shed important new light on nineteenth century philosophy and philosophy more generally revealing the extent to which various movements which we consider distinct were joined and demonstrating the degree to which philosophy can transform lives and be transformed by lived experiences and practices In the nineteenth century women philosophers explored a wide range of philosophical topics and styles Working within and in dialogue with popular philosophical movements women philosophers helped shape philosophy s agenda and provided unique approaches to existential political aesthetic and epistemological questions Though largely deprived formal education and academic positions women thinkers developed a way of philosophizing that was accessible intuitive and activist in spirit The present volume makes available to English language readers in many cases for the first time the works of nine women philosophers with the hope of stimulating further interest in and scholarship on their works The volume includes a comprehensive introduction to women philosophers in the Nineteenth Century and introduces each philosopher and her position The translations are furnished with explanatory footnotes The volume is designed to be accessible to students as well as scholars

The Transgender Studies Reader Susan Stryker, Stephen Whittle, 2013-10-18 Transgender studies is the latest area of academic inquiry to grow out of the exciting nexus of queer theory feminist studies and the history of sexuality Because transpeople challenge our most fundamental assumptions about the relationship between bodies desire and identity the field is both fascinating and contentious The Transgender Studies Reader puts between two covers fifty influential texts with new introductions by the editors that taken together document the evolution of transgender studies in the English speaking world By bringing together the voices and experience of transgender individuals doctors psychologists and academically based theorists this volume will be a foundational text for the transgender community transgender studies and related queer theory

The Freud Encyclopedia Edward Erwin, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company
