Saltykov And The Russian Squire:

Saltykov and the Russian Squire Nikander Strelsky,1940 Looks at the literature of Saltykov and his satirical depiction of his own class that of the squire conspicuous for the social and political role it played for many years preceding the Communist Revolution as well as its subsequent obliteration *Saltykov and the Russian Squire* Waclaw Lednicki,1941

Saltykov-Shchedrin's The Golovlyovs Irwin Paul Foote,1997 A critical look at the Russian gentry from the 1830s to the 1870s M E Saltykov Shchedrin s novel *The Golovlyovs* exposes the insubstantiality of the family as one of the proclaimed bases of Russian social life In sharp contrast to his contemporaries including Aksakov Turgenev Tolstoy and Goncharov Saltykov Shchedrin shows the gentry family as represented by the Golovlyovs as disintegrating corrupted by its status and way of life The book the sixth in the AATSEEL Critical Companions to Russian Literature series begins with a brief sketch of Saltykov Shchedrin s life and literary career then goes on to explain the novel s content and characters including reference to contemporary events relevant to the narrative and discussion of the major points of the novel and its conclusion An extensive bibliography includes a listing and brief assessment of the various English translations of the novel **Imperial Russia's Jewish Question, 1855-1881** John Doyle Klier,2005-11-17 John Klier examines Russian public opinion on the Jewish Question in the Russian Empire during a period of sweeping social and political reform He studies the manner in which public opinion influenced and was influenced by state policy towards the Jews and traces the roots of modern antisemitism throughout Eastern Europe *Reference Guide to Russian Literature* Neil Cornwell,Nicole Christian,1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company **Outlines of Russian Culture, Part 2** Paul Miliukov,2016-11-11 This translation makes available to English readers the only comprehensive and thorough history of Russian culture in any language Endowed with scholarly authority it traces in broad outline the long rich story of the development of religion literature and the arts from their earliest manifestations to modern times For the convenience of those only interested in separate sections the book is issued in three parts as standalone volumes Part I Religion and the Church Part II Literature Part III Architecture Painting and Music **Outlines Of Russian Culture** Paul Miliukov,2020-08-06 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **A Study of Bolshevism** Nathan Leites,2021-05-03 A massive effort to determine the objectives and techniques of Soviet communism by intensive examination of all the works of Lenin and Stalin In this book I shall attempt to portray the spirit of the Bolshevik elite the elite which in 1903 had a dominant influence on a few hundred members of the Russian Social Democratic Workers Party and today influences several hundred million people in Europe Asia and elsewhere In doing so I have a two fold objective to contribute to our knowledge of the varieties of man and to enhance the skill of Western policy makers in dealing with the Politburos of the Soviet and other Communist parties There are various

ways to study the spirit of a ruling group Here I have chosen just one the analysis of its doctrine It is conceivable that future researches will show other procedures to be equally or more productive I do not propose to analyze Bolshevik doctrine as fully as possible but rather to take one aspect of it what I call the operational code that is the conceptions of political strategy Future research may deal in a comparable manner with other aspects of Bolshevik ideology We cannot now prejudge the relation and relevance of the results to be obtained by such different foci of study Author s introduction
