Sexual Harassment Gauntlet 1:

Cartoonists, Works, and Characters in the United States through 2005 John Lent, 2006-04-30 This penultimate work in John Lent's series of bibliographies on comic art gathers together an astounding array of citations on American cartoonists and their work. Author John Lent has used all manner of methods to gather the citations: searching library and online databases, contacting scholars and other professionals attending conferences and festivals, and scanning hundreds of periodicals. He has gone to great length to categorize the citations in an easy-to-use scholarly fashion, and in the process has helped to establish the field of comic art as an important part of social science and humanities research. The ten volumes in this series, covering all regions of the world, constitute the largest printed bibliography of comic art in the world and serve as the beacon guiding the burgeoning fields of animation, comics, and cartooning. They are the definitive works on comic art research and are exhaustive in their inclusiveness, covering all types of publications: academic, trade, popular, fan, etc., from all over the world. Also included in these books are citations to systematically researched academic exercises, as well as more ephemeral sources such as fanzines, press articles, and fugitive materials, conference papers, unpublished documents, etc., attesting to Lent's belief that all pieces of information are vital in a new field of study such as comic art.

Hardship Duty Stephanie Bonnes, 2024 In *Hardship Duty*, Stephanie Bonnes focuses on the puzzle of how sexual abuse remains highly prevalent in an organization that has dynamic policies, prevention strategies, and evolving education programs designed to combat sexual violence, as well as victim services and legal assistance. Bonnes uncovers the processes that sustain sexual violence, vulnerability, and the institutional and interpersonal factors that contribute to harassment. She also examines how organizational values shape harassment and broader workplace experiences of U.S. servicewomen.

Sexual Harassment in the Workplace: Sexuality, social relations, and the workplace Alba Conte, 2010-01-01 The law of sexual harassment is constantly evolving, and the number of sexual harassment claims is dramatically on the rise. *Sexual Harassment in the Workplace*, Fourth Edition, is a comprehensive guide that provides all the information you need to successfully litigate a sexual harassment claim. *Sexual Harassment in the Workplace* guides you through the relevant administrative and legal proceedings, from client interviews to attorney's fees. It discusses state and federal remedies available to maximize recovery, including the development and elements of the claim, sample pleadings, discovery documents, reviews of actual cases. Special attention is given to important topics such as suits by alleged harassers, insurance indemnification, class actions, and many others. *Sexual Harassment in the Workplace* brings you up to date on the latest case law developments, including the following: A new checklist of items to cover when representing an employer. The U.S. Supreme Court confirmed that retaliation is actionable under Title IX, where a girl's high school basketball coach claimed that he suffered retaliation for complaining about sexual discrimination in the athletic program of the school, even though he himself was not the direct victim. *Jackson v. Birmingham Board of Education*, 544 U.S. 167 (2005). In order to increase opportunities for mediation, the

EEOC expanded the charges eligible for mediation and now mediation is available at the conciliation stage after a finding of discrimination has been issued in appropriate cases. The U S Supreme Court has held that under the Federal Arbitration Act where parties to an arbitration agreement include a provision that delegates to the arbitrator the threshold question of enforceability of the arbitration agreement if a party specifically challenges the enforceability of the entire agreement the arbitrator would consider the challenge. If however the party only challenges the enforceability of the arbitration provision the challenge must be heard by a court. *Rent A Center West Inc v Jackson* 130 S Ct 2772 2010. The lack of timeliness in filing a discrimination action is an affirmative defense and the burden of proof is on the employer. *Salas v Wisconsin Department of Corrections* 493 F 3d 913 922 7th Cir 2007. A federal employee's premature filing of a sexual harassment employment discrimination and retaliation complaint did not constitute a failure to exhaust administrative remedies so as to deprive the district court of subject matter jurisdiction. *Brown v Snow* 440 F 3d 1259 11th Cir 2006. A majority of states impose a shorter period for filing with their agencies though so the filing deadline is not always extended when a state has its own agency. The "single filing rule" under which a party who has not filed an EEOC charge or received a right to sue notice may "piggyback" his or her judicial action on the claim of a party who has satisfied those prerequisites has been described as a "carefully limited exception" to Title VII's procedural requirements. *Price v Choctaw Glove and Safety Co* 459 F 3d 595 5th Cir 2006. Provided that an act contributing to the claim occurs within the filing period the court may consider the entire period of the hostile environment for purposes of determining liability. *Jordan v City of Cleveland* 464 F 3d 584 6th Cir 2006. The Supreme Court has held that a plaintiff's timely filing of an EEOC intake questionnaire which was followed by an affidavit stating "Please force Federal Express to end their age discrimination" constituted a charge cautioning however that its permissiveness is not dispositive.
