Sussman, Suzanne K. Steinmetz, Gary W. Peterson, 2013-06-29 To know where we are going as scholars educators and practitioners in the field of marriage and family life we first need to know where we have been A perusal of early texts on marriage and family life provides some thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health and public health professionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman which man cherishes p *Marriages and Families in the 21st Century* Tasha R. Howe, 2011-09-15 *Marriages and Families in the 21st Century* provides an in depth exploration of a traditional field of study using a new and engaging approach The text covers all the important issues including parenting divorce aging families balancing work and family family violence and gender issues using a bioecological framework that takes into account our status as both biological

and social beings Using this lens which emphasizes the individual s interactions with a series of larger systemic influences from family peers neighbors and teachers to schools media institutions and culture the book creates a cohesive overview of modern family life and helps students visualize the complex influences affecting all people in families It also examines the state of modern families using a strengths based approach which allows students to evaluate the health and functioning of a family considering the biological and cultural milieu in which it exists rather than on its observable structure or appearance alone Individual chapters cover historical and cultural trends and also explore the biological personal and social forces that shape individuals and families Each chapter investigates the wide diversity of human relationships and integrates discussions of ethnicity culture sexual orientation and gender seamlessly into the main narrative In addition the book explores recent research in neuroscience medicine and biopsychology to examine how family relationships are shaped by and also influence individuals biological functioning An accessible writing style coupled with numerous student friendly pedagogical features help readers come to a multi layered understanding of what makes families tick while also challenging them to reevaluate their own assumptions and experiences Key features Uses a bioecological model that takes into account our status as both biological and social beings Employs a strengths based approach that focuses on family processes rather than structure in evaluating families optimal health and happiness Incorporates discussion of neuroscience medicine and biopsychological research throughout Explores a wide diversity of family relationships integrating issues of ethnicity culture sexual orientation and gender Focus on my Family boxes profile real families who wrote essays in their own words about their diverse experiences How Would You Measure That sections emphasize students critical thinking and analysis of research design and conclusions Helps students analyze their own families strengths and attempt to build on those through psychometrically sound self assessments and Building Your Strengths exercises Engaging and accessible writing style incorporates contemporary real world examples with important theory and research Instructor s manual test bank PowerPoint lecture slides and useful web links as well as Student flash cards and self test questions available upon publication at www.wiley.com/go/howe *Intersectional Perspectives on LGBTQ+ Issues in Modern Language Teaching and Learning* Joshua M.

Paiz,James E. Coda,2021-08-05 This edited book examines how sexuality and sexual identity intersect and interact with other identities and subjectivities including but not limited to race religion gender social class ableness and immigrant or refugee status to form reinforcing webs of privilege and oppression that can have significant implications for language teaching and learning processes The authors explore how these intersections may influence the teaching of different languages and how pedagogies can be devised to increase equitable access to language learning spaces They seek to open the conversation on intersectional issues as they relate to sexuality and language teaching and learning and provide a conversational space where readers can engage with the notion of intersectionality This book will be of interest to students and scholars of applied linguistics and language education gender and LGBTQ studies and sociolinguistics outlining possible future directions for

intersectional research *The Catholic Church and Modern Sexual Knowledge, 1850-1950* Lucia Pozzi, 2021-09-24 This book is the first to present a comprehensive historical picture of the modern Catholic concern with the body and sexuality The Catholic church is commonly believed to have always opposed birth control and abortion throughout the centuries Yet the Catholic encounter with modern sexuality has a more complex and interesting history What was the meaning of sexual purity Why did eugenics matter to Catholicism How did the Society of Jesus interpret the idea of overpopulation Why did Pius XI decide to issue the notorious encyclical *Casti connubii* on Christian marriage the first modern papal pronouncement on birth control abortion and eugenics In answering these questions Lucia Pozzi uncovers new archival and unpublished records to dig into Catholic responses to modern sexual knowledge showing the Catholic church at times resisting but also often welcoming scientific modernity

Make Love, Not War David Allyn, 2016-05-23 When Helen Gurley Brown's *Sex and the Single Girl* hit bookstores in 1962 the sexual revolution was launched and there was no turning back Soon came the pill the end of censorship the advent of feminism and the rise of commercial pornography Our daily lives changed in an unprecedented time of sexual openness and experimentation *Make Love Not War* is the first serious treatment of the complicated events ideas and personalities that drove the sexual revolution forward Based on first hand accounts diaries interviews and period research it traces changes in private lives and public discourse from the fearful fifties to the first tremors of rebellion in the early sixties to the heady heyday of the revolution Bringing a fresh perspective to the turbulence of these decades David Allyn argues that the sexual revolutionaries of the 60s and 70s by telling the truth about their own histories and desires forced all Americans to re examine the very meaning of freedom Written with a historian's attention to nuance and a novelist's narrative drive *Make Love Not War* is a provocative vivid and thoughtful account of one of the most captivating episodes in American history Also includes an 8 page insert
