inclination to disavow Fuertes influence and reveals how her voice has shaped succeeding generations of Spanish poets and underscored the ubiquity of her verse in contemporary Spanish literature and culture The subtlety and diversity of the essays included in this volume attest to the power of Gloria Fuertes poetic creativity her ability to appeal to a wide audience both in Spain and abroad and her place in the contemporary Spanish poetic canon *Routledge Library Editions: Literature and Sexuality* Various Authors,2021-02-25 This set brings together a collection of classic out of print works that offer some surprising new takes on the theme of sexuality in literature Whether examining new spaces by unrepresented women writers of colour or looking afresh at gay writings of the early twentieth century this set presents a thought provoking take on the subject and as such is an essential reference source
