Sexual Slang Alan Richter, 1994-12-01 Queering the Medieval Mediterranean: Transcultural Sea of Sex, Gender, Identity, and Culture ,2021-07-26 In ten essays authored by an international team of scholars this volume explores queer readings of Western and Eastern Mediterranean Europe Northern Africa Islam and Arabic traditions The contributors enter into a dialogue comparing cases from opposite sides of the Mediterranean in order to analyze the forgotten exchange of sexualities that was brought forth through the Mediterranean and its bordering landmasses during the Middle Ages This collection questions the hypothesis that distinct cultures treated sexuality and the other differently The volume initiates the conversation around queerness and sexuality on these trade routes and problematizes the differences between various Mediterranean cultures in order to argue that through both queerness and sexuality neighboring civilizations had access to and knowledge of common shared experiences Contributors are Sahar Amer Israel Burshatin Robert L A Clark Denise K Filos Ellen Lorraine Friedrich Edmund Hayes Gregory S Hutcheson Vicente Lled Guillem Leyla Rouhi and Robert S Sturges

The Complete Idiot's Guide to Getting Your Romance Published Julie Beard, 2000-01-01 Takes the budding romance novelist through the entire process of developing story ideas editing finding publishers and marketing **Sexual Slang** Alan Richter, 1995 Provocative engaging and informative this dictionary is packed with more than 4 000 colorful slang words and phrases that have had sexual meaning at some point during the past 500 years As entertaining as it is informative Sexual Slang is packed with surprising facts meanings and insights sure to liven up anyone s language *Gender Transgressions* Karen J. Taylor, 2015-12-22 This collection comprising nine critical essays from prominent and emerging medievalists seeks to explore the different ways in which French authors of the Middle Ages transgress normative social and cultural gender codes in their literary works Offering fresh approaches to texts that have long been subjected to polarized critical analyses the essays challenge traditional interpretations of gender roles in Old French literature especially in the thematic areas of sexual deviation and transgression This corpus emerges as possessing multiple shades and subtleties of meaning long buried or ignored by conventional approaches to these texts This is a conclusion much more in accord with what we know about the ability of the medieval imagination to grasp multiple meaning from a single word or act The collection provides many examples of this multi layering of transgressive meaning Through the detailed studies of gender transgressions such as incest cross dressing rape and homoeroticism the reader will come to understand the many facets of the literary expression of sexuality in selected Old French texts products of a society that was at least as diverse and complex as our own These studies will be of particular value to those interested in Old French and gender studies by dint of accessible analyses of texts both familiar and arcane The provocative subject matter makes the studies original and eminently readable **Chip Kidd** Véronique Vienne, 2003 Chip Kidd is best known for his book jacket designs which have been credited with spawning a revolution in the art of the book cover in the US Master of the graphic non sequitur Kidd has designed covers for books by
