## **Sexual Behaviour In Canada Patterns Problems:**

Sexual Behaviour in Canada Benjamin Schlesinger, 1977

**Sexing the Maple** Richard Cavell, Peter

Dickinson, 2006-09-14 Sexing the Maple is a unique sourcebook designed to raise issues of nationalism and sexuality in Canada through a rich and diverse selection of fiction poetry criticism and history Structured so as to provide an interactive study of these issues the collection considers topics as wide ranging as First Nations sexuality censorship assisted reproduction and religion Literary works by Alice Munro Jane Rule Timothy Findley Leonard Cohen Irving Layton Lynn Crosbie Michael Turner and many others are juxtaposed with criticism and historical documents many of which were previously out of print or unavailable Selections include Marshall McLuhan's 1967 article The Future of Sex and excerpts from Stan Persky and John Dixon's Kiddie Porn SKY Lee's Disappearing Moon Cafe and Margaret Atwood's A Handmaid's Tale

**Perspectives on Female Sex Offending** Myriam S. Denov, 2017-03-02 The issue of child sexual abuse has gained widespread attention over the last three decades but minimal attention has been paid to sexual abuse by women Victims of female sex offenders have been virtually ignored or neglected from serious study Consequently we have little knowledge of the experience of victims or of professional perspectives on female sex offending Myriam Denov fills these critical gaps in the literature by examining the life histories and experiences of both male and female victims of female sex offenders and by investigating the impact and consequences of the sexual abuse She also explores professional responses to female sex offending and the ways in which police officers and psychiatrists have understood portrayed and managed such cases In addition to filling the substantial empirical void that surrounds the issue the book contributes to policy and practice issues relating to victims and to the training of different professional groups involved in child sex abuse

**Offenders: Punish, Help, Change or Control?** Jo Brayford, Francis Cowe, John Deering, 2013-05-07 Sex offending and in particular child sex offending is a complex area for policy makers theorists and practitioners A focus on punishment has reinforced sex offending as a problem that is essentially other to society and discourages engagement with the real scale and scope of sexual offending in the UK This book looks at the growth of work with sex offenders questioning assumptions about the range and types of such offenders and what effective responses to these might be Divided into four sections this book sets out the growth of a broad legislative context and the emergence of child sexual offenders in criminal justice policy and practice It goes on to consider a range of offences and victim typologies arguing that work with offenders and victims is complex and can provide a rich source of theoretical and practical knowledge that should be utilised more fully by both policy makers and practitioners It includes work on female sex offenders electronic monitoring and animal abuse as well as exploring interventions with sex offenders in three different contexts prisons communities and hostels Bringing together academic practice and policy experts the book argues that a clear but complex theoretical and policy approach is required if the risk of re offending and further victimisation is to be reduced Ultimately this book questions whether it makes sense to locate responsibility for responding to sexual offending solely within the criminal justice domain Shocking Representation Adam Lowenstein, 2005 How the modern horror film has represented the social conflicts left in the wake of national trauma

**Alcohol and Aggression** Paul F. Brain, 2023-12-01 In the 1980s the relationship between alcohol and aggression and violence was a controversial one Much of previous thinking had been based on anecdotal evidence In contrast this book originally published in 1986 is based upon recent scientific evidence from a broad range of studies from animal experimentation to clinical and social research The initial chapters describe what aggression is in terms of theories of animal behaviour how alcohol influences neural and endocrine functions and behaviour and how problematic it often is to extrapolate from animal research to humans Later chapters give critical reviews of attempts to relate alcohol intake to violence and crime The book represents a major synthesis of work from many disciplines and will interest workers in animal behaviour alcohol studies psychopharmacology and social psychology *Strangers in Our Midst* Elise Rose Chenier, 2008-01-01 Contemporary efforts to treat sex offenders are rooted in the post Second World War era in which an unshakable faith in science convinced many Canadian parents that pedophilia could be cured Strangers in Our Midst

explores the popularization of the notion of sexual deviancy as a way of understanding sexual behaviour the emergence in Canada of legislation directed at sex offenders and the evolution of treatment programs in Ontario Popular discourses regarding sexual deviancy legislative action against sex criminals and the implementation of treatment programs for sex offenders have been widely attributed to a reactionary conservative moral panic over changing sex and gender roles after the Second World War Elise Chenier challenges this assumption arguing that in Canada advocates of sex offender treatment were actually liberal progressives Drawing on previously unexamined sources including medical reports government commissions prison files and interviews with key figures *Strangers in Our Midst* offers an original critical analysis of the rise of sexological thinking in Canada and shows how what was conceived as a humane alternative to traditional punishment could be put into practice in inhumane ways *Homosexuality in Canada*, 1984 Topical listing of monographic and serial literature up to 1984 Criteria were 1 primarily gay or lesbian subject matter and 2 Canadian locale Each entry gives bibliographical information Index **Homosexuality Bibliography** William Parker, 1985 To find more information about Rowman and Littlefield titles please visit [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com) *Canada's Mental Health*, 1988 *Working with Children and Young People Who Have Displayed Harmful Sexual Behaviour* Stuart Allardyce, Peter Yates, 2018-04-12 In providing clear practice messages for practitioners contemporary issues such as problematic online sexual behaviour and adolescent harmful sexual behaviour are covered and a formulation based trauma informed and multi systemic approach to working with children and their families is proposed *Routledge International Handbook of Sexual Addiction* Thaddeus Birchard, Joanna Benfield, 2017-09-11 The concept of sexual addiction has gained increasing recognition in the academic and healthcare communities since the 1990s It has also captured the attention of the media where there has been much debate over whether it can truly be described as an addiction What is certain is that many people struggle with out of control sexual behaviour which takes over their lives and has harmful consequences for their relationships careers and finances The Routledge International Handbook of Sexual Addiction brings together a comprehensive range of perspectives on sexual addiction from a worldwide selection of scholars and therapists It sets out to define sexual addiction and to study its causes from a range of different psychological perspectives A series of presentations of sexual addiction are outlined including internet sexual addiction and the relationship between paraphilias and sex addiction The handbook considers both individual and group treatment strategies drawing on a wide range of approaches including cognitive behavioural therapy mindfulness and 12 step programmes The book studies sex addiction in specific populations including women adolescents and men who have sex with men Finally it considers some of the alternative discourses surrounding the concept of sexual addiction This is the first comprehensive reference book to bring together global viewpoints on advances in research theory and practice in one volume This handbook provides an essential guide for academics and students of psychotherapy counselling nursing addiction sexualities social work and health and social care as well as professionals in practice and in training working with
