*A comprehensive, definitive and complete exposition of Church teaching on Catholic Sexual Morality, including sex education — by Father John A. Hardon, S.J.*

## A CHALLENGE ~ A SOLUTION

*Mother Most Chaste*

A thorough and logical presentation of the sexual moral evils afflicting our society, their causes and answers.

The reasoning and prudential treatment of this sensitive subject is the work of a master teacher.

Do you want to enlighten minds, move hearts, touch souls, form consciences and strengthen wills and thus begin to build a confident, courageous, zealous, knowledgeable and willing core of dedicated Catholic witnesses?

Today's "pagans" — who may have had the faith and gave it up — are, humanly speaking, impossible to convert. "Without Me you can do nothing," Our Lord warned. He also promised, "With Me all things are possible." So, Divine grace is available in the superabundance needed!

## **Sexual Morality Guidelines For Today's Catholic:**

**Sexual morality** Russell M. Abata, 1983      **Sexual Ethics** Todd A. Salzman, Michael G. Lawler, 2012-05-18 Two principles capture the essence of the Catholic tradition on sexual ethics that each and every marriage act must remain open to the transmission of life and that any human genital act must occur within the framework of marriage In the Catholic tradition moral sexual activity is institutionalized within the confines of marriage and procreation and sexual morality is marital morality But theologians Todd Salzman and Michael Lawler contend that there is a disconnect between many of the Church's absolute sexual norms and other theological and intellectual developments explicitly recognized and endorsed in the Catholic tradition especially since the Second Vatican Council These developments include the shift from a primary static worldview to a historically conscious worldview one that recognizes reality as dynamic evolving changing and particular By employing such a historically conscious worldview alternative claims about the moral legitimacy of controversial topics such as contraception artificial reproduction and homosexual marriage can faithfully emerge within a Catholic context Convinced of the central role that love desire and fertility play in a human life and also in the life of Christian discipleship the authors propose an understanding of sexuality that leads to the enhancement of human sexual relationships and flourishing This comprehensive introduction to Catholic sexual ethics complete with thought provoking study questions at the end of each chapter will be sure to stimulate dialogue about sexual morality between Catholic laity theologians and the hierarchy Anyone seeking a credible and informed Catholic sexual ethic will welcome this potentially revolutionary book      **Catholic Sexual Ethics** William May, Ronald Lawler, Joseph Boyle, 2011-08-25 The authoritative work on the Church's teaching on sexual morality has been thoroughly updated to address dimensions of this complex topic that have emerged in the late 20th and early 21st centuries Since publication of the 2nd edition of Catholic Sexual Ethics the philosophical landscape of human sexuality has dramatically changed The rise of such concerns as moral relativism the drive for same sex unions and a drastic redefinition of marriage and family have underscored the need for an unambiguous up to date understanding of Catholic sexual teaching Features Summary of Catholic teaching on sexuality from biblical times to our own Presentation of principal elements of the teaching of Pope Benedict XVI on marriage in the early years of his pontificate Discussion of the Congregation for the Doctrine of the Faith's 2003 Considerations Regarding Proposals to Give Legal Recognition to Unions Between Homosexual Persons Integration of more recent materials that clarify issues into the existing framework of the book Whether you are involved in ministry education or catechesis you will benefit from having this essential resource near at hand      Christians, Feminists, and the Culture of Pornography Arthur J. Mielke, 1995 In this pioneering study in religion and culture Mielke acknowledges the power that pornographic images continue to assert in a culture whose conscious intention is to deny their attraction Despite efforts by Christians and feminists alike to radically alter the sexual agenda in the direction of a more tender and respectful eroticism much of contemporary America continues its sexual odyssey with unrepentant

enthusiasm and with an increasing interest in overt sexual imagery Mielke's unique analysis brings together a wide range of sources contemporary as well as historical Christianity sex therapy secular feminism contemporary psychoanalysis and behavioral science research studies in an attempt to explain the prevalence of pornographic themes and imagery in human sexual arousal and fulfillment Contents Preface Acknowledgements Introduction The Problematic Place of Pornography in Culture Sexual Liberalism in America Feminists Confront Pornography Christian Perspectives on Sex and Pornography The Dynamics of Sexual Excitement The Research of Robert J.
