## **Sexual Outercourse Philosophy Of Lovemaking:**

**Sexual Outercourse** Ann van Sevenant, 2005 Apart from a few considerations on love marriage or sexuality lovemaking has been the object of little philosophical interest in the past Sexual Outercourse Philosophy of Lovemaking guides the reader through the history of philosophy Plato Augustine Kant Hegel Nietzsche Bataille Foucault Levinas Lacan Derrida Irigaray Nancy and wishes to offer a real contribution to the question of sexual love by developing a philosophy of lovemaking for which a new language is needed This book studies existing theories of love and sexuality explores the experience of intimate closeness and draws the attention to what in a most secret way runs its course between lovers Rather than studying the presupposed nature of lovemaking the accent is on how people make love and wish to make love and on how they might choose to relate to the sexual relation

**Philosophy and Anthropology** Ananta Kumar Giri, John Clammer, 2013-12-15 Philosophy and anthropology have many but largely unexplored links and interrelationships Historically they have informed each other in subtle ways This volume of original essays explores and enhances this relationship through anthropological engagement with philosophy and vice versa the nature sources and history of philosophical anthropology phenomenology and the practical methodological and theoretical implications of a dialogue between the two subjects

**Philosophy and Anthropology Border Crossings and Transformations** seeks to enrich both the humanities and the social sciences through its informative and stimulating essays

*Touchy Subject* Lauren Bialystok, Lisa M.F. Andersen, 2022-12-23 A case for sex education that puts it in historical and philosophical context In the United States sex education is more than just an uncomfortable rite of passage it s a political hobby horse that is increasingly out of touch with young people s needs In *Touchy Subject* philosopher Lauren Bialystok and historian Lisa M F Andersen unpack debates over sex education explaining why it s worth fighting for what points of consensus we can build upon and what sort of sex education schools should pursue in the future Andersen surveys the history of school based sex education in the United States describing the key question driving reform in each era In turn Bialystok analyzes the controversies over sex education to make sense of the arguments and offer advice about how to make educational choices today Together Bialystok and Andersen argue for a novel framework Democratic Humanistic Sexuality Education which exceeds the current conception of comprehensive sex education while making room for contextual variation More than giving an honest run down of the birds and the bees sex education should respond to the features of young people s evolving worlds especially the digital world and the inequities that put some students at much higher risk of sexual harm than others Throughout the book the authors show how sex education has progressed and how the very concept of progress remains contestable
