Quah, 2011-01-10 This volume presents the highlights

of current global thinking about sexual and reproductive health Major changes have taken place in the last 15 years in the way decision makers think about the subject and the manner in which programmes deliver comprehensive sexual and reproductive health services The turning point was the International Conference on Population and Development ICPD held in Cairo Egypt in 1994 ICPD was a watershed for several reasons First more than in any of the preceding United Nations population conferences the issue of population was clearly placed as being central to sustainable development Second the narrow focus on population growth the population bomb which had been a neo Malthusian concern and preoccupation ever since the Club of Rome published its 1972 report Limits to Growth was replaced by the comprehensive concept of sexual and reproductive health Third and linked to the definition and introduction of the reproductive health concept was the strong call for a paradigm shift away from a policy environment driven by demographic considerations sometimes to the point of using coercion in family planning services in order to reach demographic targets to an environment that recognized the right of individuals to make their own choices And last but not least ICPD as well as the Fourth World Conference on Women FWCW held the following year in Beijing People s Republic of China strongly emphasized that the rights of women and men to good sexual and reproductive health are firmly grounded in universal human rights Provided by publisher The Age of Consent M. Waites, 2005-08-10 The Age of Consent Young People Sexuality and Citizenship addresses the contentious issue of how children s sexual behaviour should be regulated The text includes A unique history of age of consent laws in the UK analysed via contemporary social theory A global comparative survey of age of consent laws and relevant international human rights law A critical analysis of how protectionist agendas shaped new age of consent laws in England and Wales in the Sexual Offences Act 2003 In depth theoretical discussion of the rationale for age of consent laws An original proposal to reduce the age of consent to 14 for young people who are less than two years apart in age Responding to contemporary concerns about young people s sexual behaviour sexual abuse and paedophilia this book will engage readers in law and socio legal studies sociology history politics social policy youth and childhood studies and gender and sexuality studies and professionals and practitioners working with young people *Displacement, Human Rights and Sexual and Reproductive Health* Natalia Cintra, David Owen, Pía Riggirozzi, 2023-06-19 Focusing on the flight of women and girls from Venezuela this book examines the gendered nature of forced displacement and the ways in which the failures of protection regimes to be sensitive to displacement s gendered character affect women and girls and their sexual and reproductive health Highlighting how categorical legal distinctions between refugees and migrants fail to capture the dynamics of forced migration in Latin America it investigates how the operation of this categorical divide generates responsibility and protection gaps in relation to female forced migrants which act as determinants of sexual and reproductive health Drawing on the voices of displaced women it argues that a robust political ethics of protection of the forcibly displaced must encompass all necessary floors and be responsive to the gendered character of forced displacement and particularly to effective access to sexual and

reproductive health rights Psychiatry and Sexual Medicine Michal Lew-Starowicz, Annamaria Giraldi, Tillmann H. C. Krüger, 2020-09-02 Psychiatry meets sexual medicine This book explores the links between mental and sexual health and provides guidance for the treatment of the most common sexual problems The book fills the need of many clinicians and trainees who work in the field of psychiatry and sexual medicine Offering comprehensive and clearly structured information case presentations and key messages this book focuses on sharing essential knowledge and skills of recognized experts in the field Get inspired by the vivid interactions of psychiatry and sexual medicine and help your patients on their way to improved sexual health *What is Sexual History?* Jeffrey Weeks, 2016-06-10 Until the 1970s the history of sexuality was a marginalized practice Today it is a flourishing field increasingly integrated into the mainstream and producing innovative insights into the ways in which societies shape and are shaped by sexual values norms identities and desires In this book Jeffrey Weeks one of the leading international scholars in the subject sets out clearly and concisely how sexual history has developed and its implications for our understanding of the ways we live today The emergence of a new wave of feminism and lesbian and gay activism in the 1970s transformed the subject heavily influenced by new trends in social and cultural history radical sociological insights and the impact of Michel Foucault's work The result was an increasing emphasis on the historical shaping of sexuality and on the existence of many different sexual meanings and cultures on a global scale With chapters on amongst others lesbian gay and queer history feminist sexual history the mainstreaming of sexual history and the globalization of sexual history *What is Sexual History* is an indispensable guide to these developments Sexual and Reproductive Health and Rights in Sub-Saharan Africa Nana K. Poku, 2021-02-03 This book provides a clear and detailed examination of why it is so difficult to secure comprehensive political engagement and actionable effective policy on sexual and reproductive health rights in sub Saharan Africa In an engaging analysis Nana Poku employs expert knowledge to examine the prospects for large scale improvements He explores not only the full range of normative sensitivities but also conceptual misunderstandings legal difficulties and complex challenges of securing and maintaining adequate funding while AIDS remains a pandemic in the region Up to date succinct yet highly detailed lucid and compelling in its diagnoses of highly complex issues this book is a valuable accessible study of a topic that is regional in focus but with clear global implications *Feminist Engagement with International Criminal Law* Eithne Dowds, 2020-01-23 This work introduces and further develops the feminist strategy of norm transfer the proposal that feminist informed standards created at the level of international criminal law make their way into domestic contexts Situating this strategy within the complementarity regime of the International Criminal Court ICC it is argued that there is an opportunity for dialogue and debate around the contested aspects of international norms as opposed to uncritical acceptance The book uses the crime of rape as a case study and offers a new perspective on one of the most contentious debates within international and domestic criminal legal feminism the relationship between consent and coercion in the definition of rape In analysing the ICC definition of rape it is argued that

the omission of consent as an explicit element is flawed Arguing that the definition is in need of revision to explicitly include a context sensitive notion of consent the book goes further setting out draft legislative amendments to the ICC Elements of Crimes definition of rape and its Rules of Procedure and Evidence Turning its attention to the domestic landscape the book drafts amendments to the United Kingdom UK Sexual Offences Act 2003 and to the Youth Justice and Criminal Evidence Act 1999 thereby showing how the revised version of the ICC definition can be applied in context of the UK *Encyclopedia of Business Ethics and Society* Robert W. Kolb,2008 This encyclopedia spans the relationships among business ethics and society with an emphasis on business ethics and the role of business in society
