The Bible, Sexuality, and Culture Brian Neil Peterson, 2021-05-26 We are living in a rapidly changing culture Since the 1960s the changes in our sexual ethics have become increasingly problematic How are people especially Evangelicals and other conservative Christians supposed to respond Does the Bible address these seismic changes How is a believer supposed to raise a family in the cultural chaos of the twenty first century If you have asked any of these questions before then this book is for you Peterson argues forcefully that the changes in our culture are a direct result of a postmodern and post Christian cultural rejection of the mandates established by God in the opening two chapters of Genesis The reason Western culture is imploding morally is directly connected to the Enemy's

undoing of each of the Genesis mandates established by God for human and cultural flourishing With Western culture s rejection or undoing of every one of God s mandates in Genesis is there any hope for the survival of once thriving Judeo Christian cultures Peterson tackles these and many other issues in a forthright and unreserved manner This book is not for the faint of heart It is a call for a return to cultural sanity rooted in the fear of God and his Word **Old Testament**

**Introduction** Mark Mangano,2005 *Gender and Sexuality in Ghanaian Societies* Martha Donkor,Amoaba Gooden,2022-09-01 *Gender and Sexuality in Ghanaian Societies* explores cultural dynamics embedded in the interstices of agency vulnerability and power within patriarchal structures that seek to regulate the sexual lives of women in Ghana Emphasizing the centrality of gender as a motive force for sexual expression the book stresses that contemporary Ghanaian women s sexual expressions are caught at the intersection of traditional gender expectations of heteronormativity and women s perceptions of how heteronormativity should operate in their lives The book s emphasis on women s agency is significant because it highlights a flaw in earlier Western accounts of African women s lives under Africa s special brand of patriarchy that held women in total subjection to men *Gender and Sexuality* debunks that trope and presents Ghanaian women s dynamism resilience and vulnerabilities embedded in the diverse cultures in which they live Law, Crime and Sexuality Carol Smart,1995-01-18 *Law crime and sexuality* transcends the traditional fragmentation of sociology criminology socio legal studies and feminist theory and philosophy It enables readers to draw on aspects from each discipline and see how various themes and discussions are related Compiled specifically for students needs the essays show that theory need not be too hard or too inaccessible and help students to understand the law in conceptual terms while enabling them to become fully aware of the extent to which the law is implicated in our everyday lives **Body and Soul: Sexuality and Sanctity in the English Lives of Women Saints, 800-1500** Nancy Lynne Conner,1993 *The Routledge Handbook of Gender and Sexuality in Byzantium* Mati Meyer,Charis Messis,2024-05-23 This Handbook is the first to consider the interrelated subjects of gender and sexuality in the Eastern Roman Empire from an interdisciplinary perspective Drawing on both modern theories and Byzantine perceptions and considering multiple periods and religions Eastern Orthodox Islamic and Jewish it provides evidentiary textual and visual material support for an analysis of the two linked themes Broadly the essays demonstrate that gender and sexual constructs in Byzantium were porous As a result they expand our knowledge of not only how sex and gender were conceived and performed but also how ideas and practices shaped Byzantine life The Routledge Handbook of Gender and Sexuality in Byzantium will be an indispensable guide for students and scholars of late antique and Byzantine religion history culture and art who will find it a useful critical survey of current scholarship and one that shines new light in their areas of research The focus on issues of gender and sexuality may also be of interest to individuals concerned with Eastern Mediterranean culture as well as to the broader public Chapter 21 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non
