Shade Of The Raintree:

Shade of the Raintree, Centennial Edition Larry Lockridge, 2014-04-17 This true story of literary stardom and sudden tragedy is a riveting book shattering and shot through with the powerful poignancy of a life undone Detroit News Raintree County the first novel by Ross Lockridge Jr was the publishing event of 1948 Excerpted in Life magazine it was a Book of the Month Club Main Selection won MGM's Novel Award and a movie deal and stood at the top of the nation's bestseller lists Unfortunately Lockridge's first novel was also his last Two months after its publication the thirty three year old author from Bloomington Indiana took his own life His son Larry was five years old at the time Shade of the Raintree is Larry's search for an understanding of his father's baffling act In this powerfully narrated biography Larry Lockridge uncovers a man of great vitality humor love and visionary ambition but also of deep vulnerability The author manages to combine a son's emotional investments with a sleuth's dispassionate inquiry The result is a book that is in its own way as remarkable and compelling as Raintree County Milwaukee Journal Larry Lockridge here faces the double tasking of writing a biography of his father and of finding out what drove him to a ruthless act of self destruction An immensely moving book deserving of the Pulitzer Prize Kirkus Reviews This edition includes a new preface by the author

Shade of the Raintree Laurence S. Lockridge, 1994 Ross Lockridge Jr's novel Raintree County was the publishing event of 1948 Excerpted in Life magazine the novel was the Book of the Month Club Main Selection winner of the enormous MGM Novel Award and first on the nation's bestseller lists Many years later Larry Swindell the syndicated critic would write that no myth is more imposing than the Great American Novel but if it is truly unattainable I believe that Ross Lockridge made closer approach than any other writer has before or since It was Lockridge's first novel and his last Two months after its publication the thirty three year old author from Indiana took his own life leaving a wife and four children His son Larry was five years old at the time Shade of the Raintree is a son's search for an understanding of his father's baffling act It is also the moving story of what it is like to grow up in the wake of a family tragedy and to grow up with a novel instead of a father In this powerfully narrated biography Larry Lockridge uncovers a life of great vitality humor love and visionary ambition but also of deep vulnerability Ross Lockridge embodied so many of a writer's aspirations and fates from the sudden vision of a work that might answer to ambition to the all consuming act of composition over months and years to the dislocations of sudden fame and wealth to the question that dogs every writer What next This is a story of the pride and generosity that attend the act of writing and the terrible depletion that often follows Shade of the Raintree is extraordinary in the way its author manages to combine a son's emotional investments with a sleuth's dispassionate inquiry The result is an exhilarating revelatory narrative of a life that was in some ways an allegory of the American writer Raintree County is being republished by Penguin Books simultaneously with Shade of the Raintree Even for those who have never read the novel this biography offers a remarkable portrait of how artists may put themselves at risk in creating worlds of wonder and humanity

The Rain Tree Mirabel Osler, 2012-05-10 A beautifully written memoir from

the bestselling author of *A Gentle Plea for Chaos* **Final Drafts** Mark Seinfeld, 1999-12 Some of the greatest writers in the history of the art Hart Crane Ernest Hemingway Jerzy Kosinski Sylvia Plath Anne Sexton and Virginia Woolf all chose to silence themselves by suicide leaving their families and friends with heartbreak and the world of literature with gaping holes Their reasons for killing themselves when known were varied and quite often unreasonable Some were plagued by depression or self doubt and others by frustration and helplessness in a world they could neither change nor tolerate Profoundly moving and morbidly attractive *Final Drafts* is a necessary historical record biographical treatment and psychological examination of the authors who left this cruel world by their own hands either instantly or over long periods of relentless self destructive behavior It is also a devoted examination of references to suicide in literature both by those who took their own lives and those who decided to live Mark Seinfeld has selected many well known mostly fiction writers from those whose work dates to over a century ago when the medical community was ill equipped to deal with substance abuse and depression to more recent writers such as Kosinski Michael Dorris and Eugene Izzi who have left a puzzled literary community with a sad legacy Seinfeld reveals that many authors contemplated ending their lives in their work were obsessed with destroying themselves were unable in the case of the Holocaust to live with the fact that their contemporaries had been killed believed death to be a freedom from the horrors that forced them to create and sometimes were simply unable to withstand rejection or criticism of their work Other noted authors discussed in this volume include John Berryman Ambrose Bierce Harry Crosby John Davidson William Inge Randall Jarrell Arthur Koestler T E Lawrence Primo Levi Jack London Jay Anthony Lukas Tom McHale Yukio Mishima Henry de Montherlant Seth Morgan George Sterling Sara Teasdale Ernst Toller John Kennedy Toole Sergey Yesenin and many others **Dictionary of Midwestern Literature, Volume Two** Philip A. interpretations to some a frontier to others a colonized space a breadbasket a crossroads a heartland As agrarian reformed and Michigander Liberty Hyde Bailey expressed in his 1916 poem Sower and Seer the Midwestern landscape has given rise to significant visionaries just as their knowledge has nourished and shaped the region The essays gathered for this collection examine individual thinkers writers and leaders as well as movements and ideas that shaped the Midwest including rural school consolidation women s literary societies Progressive era urban planning and Midwestern radical liberalism While disparate in subject and style these essays taken together establish the irrefutable significance of the intellectual history of the American Midwest *Environmentalism in the Realm of Science Fiction and Fantasy Literature* Chris

Elizabeth and Monty Charles Casillo, 2021-05-25 Violet eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era s defining movies including *Cat on a Hot Tin Roof* *The Misfits* *Suddenly Last Summer* and *Cleopatra* Yet the relationship between these two figures one a dazzling larger than life star the other hugely talented yet fatally troubled has never truly been explored until now *Monty Elizabeth likes me but she loves you* Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in *A Place in the Sun* he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That s when I began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a wedding convinced this was more than friendship The truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty s accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in *Reflections in a Golden Eye* His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Casillo weaves an engrossing story about the intertwined lives of his subjects the parallel worlds of

privilege that they came from the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in The New York Times In a riveting new book that brings Hollywood's golden age to life with colorful well researched details and interviews with stars who knew Taylor and Clift Casillo explores the intense bond the two shared People Magazine Pride and Protest Jeanette Vanausdall,1999 Some of the books examined in the book are Eunice Beecher's From Dawn to Daylight Edward Eggleston's The Hoosier Schoolmaster Charles Major's When Knighthood Was in Flower James Maurice Thompson's Alice of Old Vincennes Meredith Nicholson's The House of a Thousand Candles Booth Tarkington's The Magnificent Ambersons Theodore Dreiser's Sister Carrie and Ross Lockridge Jr's Raintree County BOOK JACKET *Identification, Selection, and Use of Southern Plants for Landscape Design* Neil G. The Dream of the Great American Novel Lawrence Buell, 2014-02-10 The idea of the great American novel continues to thrive almost as vigorously as in its nineteenth century heyday defying 150 years of attempts to dismiss it as amateurish or obsolete In this landmark book the first in many years to take in the whole sweep of national fiction Lawrence Buell reanimates this supposedly antiquated idea demonstrating that its history is a key to the dynamics of national literature and national identity itself The dream of the G A N as Henry James nicknamed it crystallized soon after the Civil War In fresh in depth readings of selected contenders from the 1850s onward in conversation with hundreds of other novels Buell delineates four scripts for G A N candidates One illustrated by *The Scarlet Letter* is the adaptation of the novel's story line by later writers often in ways that are contrary to the original author's own design Other aspirants including *The Great Gatsby* and *Invisible Man* engage the American Dream of remarkable transformation from humble origins A third script seen in *Uncle Tom's Cabin* and *Beloved* is the family saga that grapples with racial and other social divisions Finally mega novels from *Moby Dick* to *Gravity's Rainbow* feature assemblages of characters who dramatize in microcosm the promise and pitfalls of democracy The canvas of the great American novel is in constant motion reflecting revolutions in fictional fashion the changing face of authorship and the inseparability of high culture from popular As Buell reveals the elusive G A N showcases the myth of the United States as a nation perpetually under construction
