Shadow Between:

The shadow between them; or, A blighted name Alex. McVeigh Mrs. Miller, 2023-07-11 In *The Shadow Between Them or A Blighted Name* Alex McVeigh Mrs Miller intricately weaves a narrative steeped in the complexities of human relationships and societal mores during the late 19th century The novel explores themes of love betrayal and the ever persistent shadow of reputation that looms over its characters Written in a style reminiscent of the psychological realism that characterized the period the narrative invites readers to delve into the inner worlds of its protagonists while engaging with sharp social commentary that provokes reflection on the conventions of the time Alex McVeigh Mrs Miller a prominent figure in the literary scene of his era drew upon his own experiences and observations of Victorian society particularly its rigid social structures and the plight of women His nuanced understanding of interpersonal dynamics coupled with a background in journalism enabled him to craft compelling characters who grapple with the constraints imposed by their environment Through this novel Miller not only sought to entertain but also to illuminate the often overlooked struggles faced by individuals constrained by societal expectations This novel is highly recommended for readers who appreciate literature that blends psychological depth with sharp social critique Miller's acute observations and rich character development offer profound insights into the human condition making it a valuable addition to the canon of 19th century literature Readers interested in the interplay between personal desire and societal constraints will find this work both thought provoking and poignant

Lannom, 2012-10-03 From the humor of *Thanks for the Rain* to the sadness of *Clearing out the Room* Mr Lannom has written a wide variety of poems and says There are lots of words and even more spaces and it is the spaces the between that gives it meaning

The Last Days Of Heaven G.J. Violet, 2012-03-30 The book cover depicts a man made up in such a fashion that it depicts a universal man His head is strung with stars Below planetary orbs also situate man symbolically The sun and moon make up his eyes The flight of a bird create his nose Mountains and a lake compose his lips and mouth Clouds form his eyebrows The is a choker around his neck with a medallion at its center The throat is the matrix of speech As these poems manifest my speaking I have placed my initials therein His chin suggest mountain ranges and shorelines Overall the drawing infers that all of nature is of man's image That nature and humankind are one

Shades of Meaning: Shadows in Medieval Manuscript Illumination Dominique DeLuca, 2025-03-27 Are there shadows in medieval art Studies on the role of shadows in art history have either glanced over or ignored the medieval period yet people of the Middle Ages certainly saw and thought about shadows and recorded their ideas about these phenomena in texts and images This book examines references to shadows in science religion and folklore of the Middle Ages Through the lens of fifteenth century manuscript painting it investigates visual metaphorical and supernatural shadows in art to discover what shadows meant to the medieval viewer
