Anderson, 2024-12-16 Silver Dragon has become a bane to the werewolf community in recent years. Designer heroin, one that actually affects were-creatures where normal drugs are simply a passing fancy, has infiltrated the St. Louis werewolf population. One of these is a young woman named Anna Maddox who wants to bring her brother somehow back from the brink he's standing at. To do this, she reaches out to the ancient order, the Children of Asclepius. Alchemist Duncan Powell hears her plea and pledges to help her rescue her brother from the streets of St. Louis. Unsure how to even go about rescuing the young Were, he knows he must help, however he can. He goes to Detective Sebastian Pearce, a member of Unit Zero, the law enforcement agency that deals with supernatural creatures that pose a threat to the peace in the world. Sebastian implores him to leave things to Unit Zero, but Duncan is stubborn and goes down to the Red District to find the young Were. Sebastian and his partner follow and then begin the mission that will either save the young Kacey Maddox or doom them all. In the Red District, they realize there is more happening than expected. They become embroiled in multiple plots that are destroying much of the supernatural world. Unable to find the answers they want, they continue working to uncover the deceptions and subterfuge that has kept the supernatural society in a vice. *Escaping Fate, Embracing Destiny* Beverly L.

Anderson, 2024-10-01 CJ Kim is a typical college student. He is doing what most college students do, figuring himself out, sometimes the hard way. He has some unusual dreams now and then, but he thinks they are just dreams. They're certainly nothing to worry about when reality is pressing down so hard on him. Between the demands of school and family, he has enough on his mind. He ends up with a massive crush on a senior who is on the baseball team. Despite not being a baseball fan, he goes to games to see him. Of course, he'll never notice a gay and nerdy English major like CJ. Things are good though. He even has a good relationship with his parents and his twin sisters. He never expects his family's past to come back to haunt him. It rears its head in the worst way possible, and CJ finds himself the prisoner of a vengeful man. Thrust into something that goes beyond what can be considered normal, CJ realizes that there's a fate out there trying to destroy him. He doesn't know how, but he has to reach for a destiny he can barely see. **The Last Light** Nova Darklyng, In Nova Darklyng's debut novel *The Last Light*, a world enveloped in perpetual darkness takes center stage where the sun is a forgotten legend and light a precious commodity.
