Shadow Over Babylon David S. Mason, Professor of Sociology David Mason, 1994-12-12 An inspired thriller in the tradition of Frederick Forsyth Vanity Fair The secret assassination plot is the brainchild of the most powerful men in government and is perfectly calculated to bypass the defenses of its assassination target President Saddam Hussein Thus begins the countdown to change the course of history

A Shadow over Palestine Keith P. Feldman, 2015-04-15 Winner Best Book in Humanities and Cultural Studies Literary Studies Association for Asian American Studies Upon signing the first U S arms agreement with Israel in 1962 John F Kennedy assured Golda Meir that the United States had a special relationship with Israel in the Middle East comparable only to that of the United States with Britain After more than five decades such a statement might seem incontrovertible and yet its meaning has been fiercely contested from the start

A Shadow over Palestine brings a new deeply informed and transnational perspective to the decades and the cultural forces that have shaped sharply differing ideas of Israel's standing with the United States right up to the violent divisions of today Focusing on the period from 1960 to 1985 author Keith P Feldman reveals the centrality of Israel and Palestine in postwar U S imperial culture Some representations of the region were used to manufacture commonsense racial ideologies underwriting the conviction that liberal democracy must coexist with racialized conditions of segregation border policing poverty and the repression of dissent Others animated vital critiques of these conditions often forging robust if historically obscured border crossing alternatives In this rich cultural history of the period Feldman deftly analyzes how artists intellectuals and organizations from the United Nations the Black Panther Party and the Association of Arab American University Graduates to James Baldwin Daniel Patrick Moynihan Edward Said and June Jordan linked the unfulfilled promise of liberal democracy in the United States with the perpetuation of settler democracy in Israel and the possibility of Palestine's decolonization In one of his last essays published in 2003 Edward Said wrote In America Palestine and Israel are regarded as local not foreign policy matters

A Shadow over Palestine maps this jagged terrain on which this came to be amid a wealth of robust alternatives and the undeterred violence at home and abroad unleashed as a result of this special relationship

Spies and Holy Wars Reeva Spector Simon, 2010-11-15 Illuminating a powerful intersection between popular culture and global politics *Spies and Holy Wars* draws on a sampling of more than eight hundred British and American thrillers that are propelled by the theme of jihad an Islamic holy war or crusade against the West Published over the past century the books in this expansive study encompass spy novels and crime fiction illustrating new connections between these genres and Western imperialism Demonstrating the social implications of the popularity of such books Reeva Spector Simon covers how the Middle Eastern villain evolved from being the malleable victim before World War II to the international techno savvy figure in today's crime novels She explores the impact of James Bond pulp fiction and comic books and also analyzes the ways in which world events shaped the genre particularly in recent years

Worldwide terrorism and economic domination prevail as the most common sources of narrative tension in these works while military tech novels restored the prestige of the American hero in the wake of post Vietnam skepticism Moving beyond stereotypes Simon examines the relationships between publishing trends political trends and popular culture at large giving voice to the previously unexamined truths that emerge from these provocative page turners *Babylon Under Western Eyes* Andrew Scheil,2016-05-09 Babylon under Western Eyes examines the mythic legacy of ancient Babylon the Near Eastern city which has served western culture as a metaphor for power luxury and exotic magnificence for more than two thousand years Sifting through the many references to Babylon in biblical classical medieval and modern texts Andrew Scheil uses Babylon s remarkable literary ubiquity as the foundation for a thorough analysis of the dynamics of adaptation and allusion in western literature Touching on everything from Old English poetry to the contemporary apocalyptic fiction of the Left Behind series Scheil outlines how medieval Christian society and its cultural successors have adopted Babylon as a political metaphor a degenerate archetype and a place associated with the sublime Combining remarkable erudition with a clear and accessible style Babylon under Western Eyes is the first comprehensive examination of Babylon s significance within the pantheon of western literature and a testimonial to the continuing influence of biblical classical and medieval paradigms in modern culture **Literary Afterlife** Bernard A. Drew,2010-03-08 This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them It includes book series that have continued under a deceased writer s real or pen name undisguised offshoots issued under the new writer s name posthumous collaborations in which a deceased author s unfinished manuscript is completed by another writer unauthorized pastiches and biographies of literary characters The authors and works are entered under the following categories Action and Adventure Classics 18th Century and Earlier Classics 19th Century Classics 20th Century Crime and Mystery Espionage Fantasy and Horror Humor Juveniles 19th Century Juveniles 20th Century Poets Pulps Romances Science Fiction and Westerns Each original author entry includes a short biography a list of original works and information on the pastiches based on the author s characters **Nityarajya 2** Andi Sulistiadi, Set in a chillingly plausible 2075 the world is swiftly succumbing to HarmonySync an omnipresent digital spiritual interface Born from the ashes of a global Collapse HarmonySync orchestrated by the ancient entity Dusta and his human lieutenants Sujar and Dr Linda promise an end to all chaos Yet it delivers a tribulation of unprecedented spiritual suppression biometric deletion and artificial scarcity Worship is rebranded as Mood Calibration ancient scriptures are algorithmically revised and dissent leads to becoming part of the voiceless Erased Generation This new world order is the terrifying manifestation of Revelation s Beast from the Sea with Sujar as its deceptive Lion s Mouth and Linda as its subtle False Prophet enforcing the Mark 666 a digital rewriting of personhood that governs all access even to basic sustenance The novel is a poignant exploration of enduring faith in the face of pervasive deception reminding readers that even when the

world seems lost to technology and false promises God remains sovereign It is a testament to the power of authentic worship memory and love promising ultimate vindication for those who refuse to let the truth be sealed *Novels* Victor Hugo,1888
