Shadow Over The Rose:

Marat/Sade; The Investigation; and The Shadow of the Body of **Shadow Over the Rose** Jerri A. Worthen, 1993-10-01 the Coachman Peter Weiss, 1998-01-01 Peter Weiss 1916 1982 was virtually unknown in the mid 1960s when Peter Brook made Marat Sade into a film The weaving of time space plot real and imagined characters sexual liberation and surrealist imagery made Marat Sade a sensation Little did audiences realize that this counterculture classic was written by a German Jew At that time Weiss was also at work on a play about Auschwitz The Investigation These two dramas are in this volume along with The Shadow of the Body of the Coachman All are cogently introduced and edited by Robert Cohen the Moghul: Traitors in the Shadows Alex Rutherford, 2015-04-09 Now a major DisneyPlus Hotstar Special THE EMPIRE is streaming now TRAITORS IN THE SHADOWS is the sixth gripping novel in the action packed Empire of the Moghul series by Alex Rutherford perfect for fans of Simon Scarrow and Robyn Young Totally absorbing Authentic characters and sweeping action Wilbur Smith A dynasty at war A new emperor Aurangzeb sits on India's glittering Peacock Throne the throne he seized from his father while the old emperor still lived He has paid for it with blood during the brutal civil war he hunted down and killed his brothers Now he must return the Moghul Empire to the true path and achieve new glory But the exercise of great power is isolating With enemies everywhere who should he trust Certainly not his sons He must rely on himself and the knowledge that there are more ways to subdue a man than on the battlefield But as the years pass memories haunt him memories of a father who never loved him and a mother who lies in the Taj Mahal of murdered brothers and of sons and daughters locked in sunless prisons He tells himself that everything he has done has been necessary moral even But how will his God judge him A totally absorbing narrative filled with authentic historical characters and sweeping action set in an age of horrifying but magnificent savagery The writing is as compelling as the events described and kept me eagerly leaping from one page to the next Wilbur Smith Rutherford's glorious broad sweeping adventure in the wild lands of the Moghul sees the start of a wonderful series In Babur he has found a real life hero with all the flaws mistakes and misadventures that spark true heroism Breathtaking stuff Manda Scott Alex Rutherford has set the bar high for his seguels Daily Mail Alex Rutherford brings the period and the history of the region alive The characters are dynamic and the deadly regional politics of alliances and treaties are reflected by the internal tensions at court US Historical Novel Society In the Shadow of Disability Pieter Verstraete, 2012-09-17 How can one write the history of disability and what are the consequences for the disabled themselves This is the key question that Pieter Verstraete addresses in this pioneering book that tries to rethink the possible bonds between disability history and politics Since the 1990 s the concept of disability has gained in prominence Perhaps more than in other branches of historical enquiry disability historians have attributed a crucial place to the notion identity Re cently however the suitability of identity for the realization of liberating and emancipatory politics for people with disabilities has been questioned This book aims to incorporate some of the critical approaches towards identity and to suggest a
