Tajés, 2011-05-25

*Hybridity in Spanish Culture* is an anthology that explores hybridity in select works from the dawn of Imperial Spain to the twenty first century The phenomenon of hybridity has been pervasive throughout Spanish history The hybrid literary and visual texts studied in this volume ranging from aljamiado writings and the legacy from the *convivencia* to contemporary immigration narratives blur or erase purportedly fixed boundaries between history and fiction story and History nationality and transnationalism subjectivity and objectivity as well as between genres cultures languages and eras Hybridity constitutes the state of simultaneously belonging to categories that had previously been considered exclusive It renders the concept of pure as a construct a chosen perception a psychic imposition on experience Implicit within hybridity is a fusion of two or more separate factors entities or concepts but the essential aspect of this fusion is that the hybrid text becomes an original Hence hybridity nods to the past but points to the future *Hybridity in Spanish Culture* written both in Spanish and English as a metahybrid is a collection about hybridity that is a hybrid itself In hopes of blurring borders dissipating taxonomies and dehierarchizing binary oppositions the European and US authors and editors contribute to cultural studies scholarship and underscore the omnipresence and ubiquity of interstitial conditions as they relate to national or cultural identity linguistic crossings inter genre blendings and the conception of home and belonging *Linguistic Emotivity* Senko K.

Maynard, 2002-07-26 *Linguistic Emotivity* explores expressive and emotive meanings in Japanese from the perspective of the Place of Negotiation theory The Place of Negotiation theory provides a framework for understanding how linguistic signs function in the place of communication in cognitive emotive and interactional places The theory finds the indexicality of a

sign fundamental and views meanings as being negotiated among interactants who share not only information but more significantly feelings Using analytical tools recognized in conversation and discourse analyses the book analyzes emotive topics vocatives emotive nominals quotative topics etc and emotive comments da and ja nai interrogatives stylistic shifts etc in contemporary Japanese discourse It argues for the importance of emotivity in Japanese in the context of the Japanese culture of pathos Linguistic Emotivity challenges the traditional view of language that privileges logos form information and abstraction and instead it proposes a philosophical shift toward pathos expression emotion and linguistic event action
