generosity Author Stephen Charles Durkee considers the connection between generosity and what we do for work how we do outreach how we help people in need and even how we take on debts In the end he shows us the joy we should experience through giving When we put God s priorities first in our lives we discover that he is a good provider and that our lives can be free of financial worries Money and generosity play an important and truly pivotal role in God s purposes for his people and so to have blessings and transformation in our lives we must learn to give like God **Christ and the Church** Adolph Saphir,2023-05-18 Reprint of the original first published in 1874 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost
