Illusions abound after the magic from an erratic sorceress alters the corridors of life and death, and the delver faces internal doubts as well as horrific monsters. A treacherous creation first hunts the dark creatures of a nightmare realm, but the danger quickly falls back upon Uton. Forced to choose between divergent paths, Ryson must rely on others to defend the person he cares about the most. He can only hope his friends are able to defeat a new menace that revives old fears. While the delver ventures into the Lacobian Desert, cliff behemoths vow to protect his wife Linda, just as the elf guard Holli Brances leads spell casters against an unknown and dangerous foe in the abandoned town of Pinesway. I will destroy you. Druzeel realizes that his actions have opened another path, one of evil and deceit, but the path of righteousness still lies before him. Choosing which one to

follow is the difficult part but one thing is certain nothing will ever be the same A tiny seed of virtue still lies inside of him but as he travels through a city full of sin hatred and evil it gets harder to feel that goodness He knows it will take only the slightest push to fall into a hole of darkness so he clings tightly to that shining light But the pull of the gloom is strong and when a new figure enters his life and offers him power it may be impossible to resist With power comes fear and with that fear comes respect All he wanted was the respect of his peers and the trust of those he admired Is this new power enough to give him both Can it make him into the man he always wanted to be Or will it turn him into a monster The power is enchanting but it comes with a heavy price If he chooses to ignore those consequences then there may be no pulling him from a dark descent
