Allee, 2015-04-07 Something big and black crashes against the windshield and an explosion rocks the car. Turn into the skid. I see a flash and something in front of me. Something tall with black material flapping around it like the tail ends of an old-fashioned duster. Long straw-colored hair. A scraggly goatee. A man. What's a man doing at the side of the road in the middle of nowhere? Why's he just standing there? Why doesn't he get out of the way? I yank the wheel back the other way and the car swerves around him. And heads straight off the road. When the world stops bouncing and the car settles, I try to keep my eyes focused, but everything blurs around the edges. The waves ebb and I hear a crunching sound like boots on gravel. Straining to see, I barely make out. What is that? A flag. No, it's that flapping black material. I think it's the man I swerved to miss. A sweet, melodious voice makes its way through the undulating roar in my ears. Let me help you. Help. Yes, I need help. **House of**
