Shadows of Blue & Gray Ambrose Bierce, 2002-03-06 Ambrose Bierce didn t just write about the Civil War he lived through it on the battlefields and over the graves and in doing so gave birth to a literary chronicle of men at war previously unseen in the American literary canon The fact that some of these stories verged on the supernatural others on factual reporting and others on the fine line between humor and morbidity in no way detracts from their resonance to both the history of the war between the states and the imaginative historical literature in the tradition of Washington Irving Shadows of Blue as well as lesser known stories and sketches such as The Mockingbird and Two Military Executions and memoirs of his experiences at Shiloh Chickamauga and Franklin At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied Shadows of Blue & Gray Ambrose Bierce, 2003-02-22 Collects all of Bierce's Civil War stories and also includes six excerpts from his memoirs recalling his experiences on the front lines Adam Arenson, Andrew R.
