

A romantic couple is silhouetted against a vibrant sunset over the ocean. The sun is low on the horizon, creating a warm, golden glow that reflects on the water. The couple is in a close embrace, nearly kissing, with their profiles facing each other. The sky is filled with soft, orange and yellow clouds. In the background, the ocean waves are visible, and distant landmasses can be seen on the horizon.

## Shadows Of My Heart:

**Season of Shadows** Kum Ngong, 2018-11-09 In this wide ranging collection of forty three poems John Ngong Kum Ngong undertakes a critical and acerbic diagnosis of the socio political situation in postcolonial Africa through a deceptively simple aesthetically complex and ideologically intriguing style The multi faceted and interrelated motifs of shadows and seasons together with a plethora of literary devices such as paradox suspense metaphors allusions personification irony satire humour and contrast are the weapons through which the poet drives home his message The poems in this collection are not only politically correct but are also artistically profound Zuhmboshi Eric Nsuh PhD Lecturer Literary Critic and Political Analyst

*Whispered Shadows* Beverly L. Anderson, 2024-12-02 The twisting paths of a poet's mind lead to intriguing places there can be little doubt of this These places contain whispers of the writer's soul Some paths show desired sights others uncover unforeseen knowledge and at times unwanted things The shadows conceal unknown discoveries on well lit paths through the poet's mind Travelers beware uncertain destinations await along these paths Tread carefully Becoming lost in the pages of the poet's thoughts may be a very real danger to these travelers So come along and visit this place of shadows Here there bedragons monsters truth and more to enjoy Fantasy Reality and Truths form one hundred and fifty poems by Beverly L Anderson The first path is one of fantasy with mythic beasts of yore and darkness that creeps into the very bone Fairies may fly and dragons may soar The second path is one of reality and perhaps questions of what is and is not within that reality Questions of existence and what the world shows us daily are spoken here And the final path is one of truths These truths may be surprisingly uncomfortable or may not be the truth expected In any case travel the paths at your own risk Open these pages and see if something draws you into the whispered shadows of the very soul Film Year Book, 1938
