She is Maya Brennan, the achingly sensual queen of a kingdom sunk into a curse of darkness and destruction. Born to serve her people no matter what the cost, Maya cannot afford the all-consuming passion that Levi ignites in her, but without him, she has no chance to save those she loves. Shadows of the Eternal Pasquale De Marco, 2025-05-11 In this groundbreaking book, Pasquale De Marco takes us on a profound journey into the nature of shadows: those aspects of ourselves that we often fear to acknowledge. Through a unique blend of personal insights, psychological research, and spiritual wisdom, Pasquale De Marco reveals the transformative power of embracing our shadows rather than suppressing them. Shadows are an inherent part of our existence, as inseparable from

us as our physical bodies They are the dark side of our psyche the repressed and denied aspects of ourselves that we often fear to acknowledge Yet shadows also contain a wealth of potential for growth and transformation When we deny our shadows we create a split within ourselves We become alienated from our true nature and live inauthentic lives We may also project our shadows onto others blaming them for our own shortcomings Embracing our shadows is not about condoning or indulging in negative behavior Rather it is about coming to terms with our own imperfections and limitations It is about accepting ourselves for who we truly are both the light and the dark This process of shadow integration is not always easy It can be painful to confront our own darkness However it is a necessary journey if we wish to live authentic and fulfilling lives When we embrace our shadows we become more whole and complete We become more accepting of ourselves and others We become more compassionate and understanding And we become more resilient in the face of life s challenges Shadows of the Eternal is an essential guide for anyone who wants to understand the nature of shadows and their impact on our lives Through this book you will learn how to Identify your own shadows Integrate your shadows into your life in a positive and meaningful way Use your shadows as a source of strength and wisdom Help others to embrace their own shadows If you are ready to embark on a journey of self discovery and transformation then Shadows of the Eternal is the book for you If you like this book write a review on google books
