Shadows On The Green:

Shadows of the Men with Green Faces Richard Kimball, 2011-09-06 Many men and women went to Vietnam with the hope of fulfilling the promise they made to defend their country The adversities and discouragement awaiting them made it difficult to keep that promise Staying true to their commitment made them all heroes These gallant men and women must never be forgotten To forget them would mean their sacrifices were in vain

Shadows Roberto Casati, 2004-08-10 In this original wide ranging and endlessly thought provoking work of popular nonfiction a leading science writer uncovers the pervasive presence of shadows in our world For Plato shadows were the symbol of our limitations For Galileo they knocked the Earth from the center of the cosmos They are a source of fear and a symbol of ignorance and they loom large in art and design mythology and folklore physics and metaphysics and architecture and urban planning From shadows puppets and the psychology of shadows to the role of shadows in astronomy and the influence of shadows on the architectural profiles of our cities Roberto Casati awakens our fascination in this tour de force of investigation and imagination

Green Shadows Denis Sheil-Small, 1982 Heart Shadows Stephanie Parker Logue, 2000-12 Non Christian Whitney Paige travels cross country to rescue her sister Morgan from her dangerous religious fanaticism On her arrival she is rescued from a sand gully by good looking but despicable Travis McLaughlin who quotes Bible rhetoric just like Morgan and mistakes Whitney for a prostitute When Whitney finally finds Morgan's house Morgan has disappeared Whitney is saddled with the Bible thumping Grace as a roommate And she finds herself caretaker for a neglected young girl when the child's mother is hit by a car the same car that had tried to run Whitney down Everyone in town loves Morgan so what could have happened to her As Whitney meets the people of Battle Lake it becomes obvious that the sleepy town hides deep secrets As Whitney searches for Morgan danger closes in all around her She has to deal with her increasing attraction to Travis And what does it mean when Whitney is told that she has a green heart shadow while Morgan's heart shadow is gold As Whitney nears the end of her dangerous search for Morgan she finds a strength in God she didn't believe existed a strength that helps her overcome her perilous situation
