Cheema, 2017-08-10 The Ascent of John Company is the story of the founding of the British empire in India The process of founding empires is rarely if ever edifying It is invariably a sordid story of brutality and violence tempered to some extent by blatant lies corruption skullduggery and intrigue Robert Clive and Warren Hastings the two names that come most readily to mind when one thinks of the founders were no heroes in their times Still less were Vansittart Verelst or Coote Bahadur We have a governor who was overthrown and imprisoned by his own Councillors and a general who had to be bribed to take the field Many of them were accused of atrocious crimes of murder and extortion Bribe taking peculation and corruption were the least of their high misdemeanours and the most egregious were ruined by the judicial processes to which they were subjected on their return The word nabob which was applied to them by their own countrymen was anything but complimentary The romanticization of the empire came much later it was a phenomenon of the later Victorian period but in spite of the fact that the empire has long since faded away nostalgia for the Raj still lingers among some circles For such people this volume will be a useful corrective the past always seems better than the contentious present Even for others who may not see the past through rose tinted glasses this book will help to place things in perspective To paraphrase Dickens this is the best of times and the worst of times and it has always been so      [Idiomatic Expressions with English Grammar](#) 99 Ed. , 1999      **A Dictionary of Slang and Unconventional English** Eric Partridge, 2006-05-02 The definitive work on the subject this Dictionary available again in its eighth edition gives a full account of slang and unconventional English over four centuries and will entertain and inform all language lovers      [The Vintage of Yon Yee](#) Louise Jordan Miln, 2022-08-16 DigiCat Publishing presents to you this special edition of The Vintage of Yon Yee by Louise Jordan Miln DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world
