mystical body Like many religious seekers throughout the ages they honor the revelation of God but cannot be bound up in
an unchanging set of dogmas or creeds Freeing themselves from domination by the state religion Mother Ann Lee and her
first followers in mid 18th century England labored to encounter the godhead directly They were blessed by spiritual gifts
that showed them a way to live the heavenly life on Earth The result of their efforts was the fashioning of a celibate
communal life called the Christlife wherein a person after confessing all sin through the indwelling of the Holy Spirit can
travel the path of regeneration into ever increasing holiness Pacifism equality of the sexes and withdrawal from the world are
some of the ways the faith was put into practice This second edition of Historical Dictionary of the Shakers contains a
chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced
entries on Shaker communities industries individual families and important people This book is an excellent resource for
students researchers and anyone wanting to know more about the Shakers **Shaker Design** June Sprigg, Corcoran Gallery
