Bernard and Michael Caines introduces Rowe's works and the five volumes that comprise this set. It then presents the early plays *The Ambitious Step-Mother*, *Tamermore* and *The Fair Penitent* along with a newly written explanatory introduction by Rebecca Bullard and John McTague which precedes the full edited text. Appendices covering dedications, performance history, the related music and textual apparatus are also included. A consolidated bibliography is included with the final volume for ease of reference.
