Long-Term-Care Case Management United States Government Accountability Office (GAO),2018-02-16 HRD 93 52 Long Term Care Case Management State Experiences and Implications for Federal Policy **Long-term-care Case Management** United States. General Accounting Office,1993 Long-Term-Care Case Management U. S. Government Accountability Office (,2013-06 Pursuant to a congressional request GAO reviewed six states long term care case management efforts focusing on 1 what constitutes case management 2 case managers roles and performance barriers and 3 standards for case managers GAO found that 1 states use various organizational structures agencies and operational approaches to provide case management to the elderly 2 in all six states case managers perform five core case management functions including comprehensively assessing client needs developing care plans based on needs arranging services monitoring client status through regularly scheduled contacts and periodically reassessing client needs and care plans 3 case managers may perform additional functions that are specific to their agency 4 the case management process should focus on the client s medical and social needs client involvement in service planning efficient service coordination knowledge of service providers and the quality of their care and continued training to maintain and improve case managers skills 5 large caseloads do not allow for accurate monitoring of clients and on going training for case managers 6 barriers to effective case management include a lack of financial resources scarcity of services and excessive administrative requirements 7 specific standards for case management functions caseloads and case manager qualifications vary from state to state and 8 two national organizations have established general standards for long term care case management activities *Medicaid Information and Assistance Project (MIAP) Resources Directory* ,1993 *Indexes for Abstracts of Reports and Testimony* ,1994 Health, Education, and Human Services Division Reports ,1995 **Health, Education, Employment, Social Security, Welfare, Veterans** United States. General Accounting Office. Health, Education, and Human Services Division,1995 **Health Reports** United States. General Accounting Office. Human Resources Division,1993-06 **Health Reports** ,1993 Managing to Care Ann Dill,2017-09-04 The point of departure for Managing to Care is widespread concern that the present delivery of health and social welfare services is fragmented uncoordinated inefficient costly wasteful and ultimately detrimental to clients health and wellbeing Dill traces the evolution of case management from its start as a tool for integrating services on the level of the individual client to its current role as a force behind the most significant trends in health care Those trends include the entrenchment of bureaucracy the challenges of once dominant professions and the rise of corporate control The author s purpose in adopting this analysis is to invite further scrutiny of the case management profession and at the same time to identify new possibilities for its application This volume brings together thoughts developed over many years of observing and participating in case management programs It provides a multilayered perspective of case management showing linkages among its social and historical contexts and the ways it is practiced today

in diverse service settings The author emerged convinced about the essential need for care coordination and that present ways of providing care can work against our highest objectives in doing so The paradoxes and contraindications embedded in case management practice became a major theme of the book Managing to Care is highly critical of the ways case management has come to absorb and reflect the organizational flaws of the very service systems it was intended to reform Too often management of the case comes to dominate care The author does not call for a rejection of professional systems in favor of a resurrected informal community While much can and should be done to strengthen our ties to one another there will always be people whose problems require more expert help Dill argues here that case management can provide such help and provide it well but only if it is grounded in the human dimension of a caring relatio
