Look To The Rock An Old Testament Background To Our Understanding Of Christ:

Look to the Rock Alec Motyer, 2020-05-21 The Bible is one book not two separate testaments so the Old Testament is essential for understanding the New In this stimulating book on the Old Testament background to Christ Alec Motyer shows how Jesus is the king expected who brings in the kingdom looked for in the Old Testament is both the image and the Word of God conquers sin and death and brings the disordered creation to its perfect consummation To neglect the Old Testament the author maintains is to have an impoverished view of the glory of Christ **Look to the Rock** Alec Motyer, 1996 [A](#)

Biblical-Theological Introduction to the Old Testament Miles V. Van Pelt, 2016-05-31 The Old Testament is not just a collection of disparate stories each with its own meaning and moral lessons Rather it s one cohesive story tied together by the good news about Israel s coming Messiah promised from the beginning Covering each book in the Old Testament this volume invites readers to teach the Bible from a Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God s plan to redeem the world through Jesus Christ *Dictionary of the Old Testament: Pentateuch* T. Desmond Alexander, David W. Baker, 2002-12-13 Exploring the major themes and issues of the Pentateuch this encyclopedic work offers authoritative overviews detailed examinations and new insights from the world of the ancient Near East Edited by T Desmond Alexander and David W Baker Knowing Jesus Through the Old Testament Christopher J. H. Wright, 2014-10-14 We cannot know Jesus without knowing his story And that story began long before Jesus was born in Bethlehem The Gospels tell us clearly that Jesus himself along with his earliest followers understood who he was and what he came to do in the light of the story of Israel as told in the pages of the Old Testament Like them we too will find that our own understanding of both Jesus and the Old Testament is transformed as we see each in the light of the other Engaging with the Scriptures Christopher J H Wright uncovers Jesus self understanding as Son of Man and Son of God following the path and fulfilling the call that God had placed before Israel Through this we discover that the deeper we go into understanding the Old Testament the closer we come to the heart of Jesus In this revised and updated second edition Wright digs deeper into the Old Testament revealing the God whom Jesus embodied Each chapter is followed with questions and exercises which can be used either in personal study or in group discussion

Pathway to Freedom Alistair Begg, 2021-10-05 God's code of conduct is as relevant and insistent today as it's always been The landscape of contemporary society reveals that we neither know nor care much about the Law of God There is a general lawlessness in the lives of professing Christians An absence of the fear of God in public worship and private living A growing confidence in ourselves and doubt concerning God and His Word Amidst this moral crisis the message of the Ten Commandments can give us order direction and hope With dynamic implications for how each of us lives every day Pathway to Freedom will challenge you to think long and hard about the significance of God's Law We have entered into a time of moral crisis in our culture and in the church as well Stories about divorce adultery and the individualized picking and choosing of doctrines abound Pathway to Freedom is forthright and necessary teaching that today's church cannot afford to ignore How now shall we live The beginning of the answer must be in obedience to God's moral law summarized in the Ten Commandments CHARLES COLSON PRISON FELLOWSHIP MINISTRIES WASHINGTON D C Theological Interpretation and Isaiah 53 Charles E. Shepherd, 2014-04-24 This study brings together the hermeneutical approaches of three Old Testament scholars specifically as they pertain to the interpretation of Isaiah 52:13-53:12 in the framework of Christian theology Contemporary discourse and hermeneutical discussions have led to the development of a point of confusion in theological hermeneutics focusing on what relationship older frames of reference may have with those more recent Bernhard Duhm is presented as a history of Religion scholar who does not easily abide by popular understandings of that school Brevard Childs moves outward from particular historical judgments regarding the nature of redaction and form criticism attempting to arrive at a proximately theological reading of the poem Alec Motyer's evangelical commitments represent a

large constituency of contemporary theological readership and a popular understanding of Isaiah 53 Following a summary and critical engagement of each interpreter on his own terms the study analyzes the use of rhetoric behind the respective readings of Isaiah 53 and proposes theological reading as a highly eclectic undertaking distanced from the demarcations of pre critical critical and post critical
