impression of America often with an emphasis on the slightly off beat All aspects of American life are covered from cowboy country to the burial of the unknown soldier from Vietnam in Washington from Dallas to Fisherman s Wharf in San Francisco Mexico Way and Mardi Gras have attention as do the surfing beaches and Daytona speedway The reader will discover just how diverse the USA is and the book paints a vivid picture of the real America unlike many other travel guides David Stuart Ryan travelled over 10 000 miles researching this book during three extended tours of America He is one of America s prize winning poets The photographs in the book are truly impressive and each is an original that has never before been published Altogether a most enjoyable book and one which it will be a pleasure to re read A review from The Book Exchange The two page spreads are well composed the lighting is good and the pictures interesting Photographic Society of America Journal I look forward to reading it President Bill Clinton **The Bookseller** ,1982 *Philosophy of Fearism* Desh
