Looking Forward The George Bush Story:

The Fall of the House of Bush Craig Unger, 2007-11-13 The presidency of George W Bush has led to the worst foreign policy decision in the history of the United States the bloody unwinnable war in Iraq How did this happen Bush's fateful decision was rooted in events that began decades ago and until now this story has never been fully told From Craig Unger the author of the bestseller House of Bush House of Saud comes a comprehensive deeply sourced and chilling account of the secret relationship between neoconservative policy makers and the Christian Right and how they assaulted the most vital safeguards of America's constitutional democracy while pushing the country into the catastrophic quagmire in the Middle East that is getting worse day by day Among the powerful revelations in this book Why George W Bush ignored the sage advice of his father George H W Bush and took America into war How Bush was convinced he was doing God's will How Vice President Dick Cheney manipulated George W Bush disabled his enemies within the administration and relentlessly pressed for an attack on Iraq Which veteran government official with the assent of the president's father protested passionately that the Bush administration was making a catastrophic mistake and was ignored How information from forged documents that had already been discredited fourteen times by various intelligence agencies found its way into President Bush's State of the Union address in which he made the case for war with Iraq How Cheney and the neocons assembled a shadow national security apparatus and created a disinformation pipeline to mislead America and start the war A seasoned award winning investigative reporter connected to many back channel political and intelligence sources Craig Unger knows how to get the big story and this one is his most explosive yet Through scores of interviews with figures in the Christian Right the neoconservative movement the Bush administration and sources close to the Bush family as well as intelligence agents in the CIA the Pentagon and Israel Unger shows how the Bush administration's certainty that it could bend history to its will has carried America into the disastrous war in Iraq dooming Bush's presidency to failure and costing America thousands of lives and trillions of dollars Far from ensuring our security the Iraq War will be seen as a great strategic pivot point in history that could ignite wider war in the Middle East particularly in Iran Provocative timely and disturbing The Fall of the House of Bush stands as the most comprehensive and dramatic account of how and why George W Bush took America to war in Iraq

House of Bush, House of Saud Craig Unger, 2004-03-19 Newsbreaking and controversial an award winning investigative journalist uncovers the thirty year relationship between the Bush family and the House of Saud and explains its impact on American foreign policy business and national security House of Bush House of Saud begins with a politically explosive question How is it that two days after 9 11 when U S air traffic was tightly restricted 140 Saudis many immediate kin to Osama Bin Laden were permitted to leave the country without being questioned by U S intelligence The answer lies in a hidden relationship that began in the 1970s when the oil rich House of Saud began courting American politicians in a bid for military protection influence and investment opportunity With the Bush family the Saudis hit a gusher direct access to

presidents Reagan George H W Bush and George W Bush To trace the amazing weave of Saud Bush connections Unger interviewed three former directors of the CIA top Saudi and Israeli intelligence officials and more than one hundred other sources His access to major players is unparalleled and often exclusive including executives at the Carlyle Group the giant investment firm where the House of Bush and the House of Saud each has a major stake Like Bob Woodward s *The Veil* Unger s *House of Bush House of Saud* features unprecedented reportage like Michael Moore s *Dude Where s My Country* Unger s book offers a political counter narrative to official explanations this deeply sourced account has already been cited by Senators Hillary Rodham Clinton and Charles Schumer and sets 9 11 the two Gulf Wars and the ongoing Middle East crisis in a new context What really happened when America s most powerful political family became seduced by its Saudi counterparts **The Family** Kitty Kelley,2004-09-14 From the First Lady of unauthorized tell all biography this is the first real inside look at the most powerful and secretive family in the world From Senator Prescott Bush s alcoholism to his son George Herbert Walker Bush s infidelities to George Walker Bush s religious conversion shady financial deals and military manipulations Kitty Kelley captures the portrait of a family that has whitewashed its own story almost out of existence

George Bush Judith T. Marcus,2018-01-16 In the first full biography of the former president award winning historian and biographer Herbert S Parmet draws from George Bush s personal papers to look at the man who led America through the end of the Cold War Enriched by access to Bush s private diaries the book provides an intimate portrait of the forty first president and corrects many long held misconceptions about him Parmet shows George Bush within the context of a half century of American life and politics at a time when great changes swept the nation Parmet traces Bush s life from his New England youth through World War II from his leadership of the CIA through his vice presidency and presidency through his loss of the 1992 presidential election to Bill Clinton This book will be of interest to readers of politics and political biographies American Economic History James S. Olson,Abraham O. Mendoza,2015-04-28 Covering figures events policies and organizations this comprehensive reference tool enhances readers appreciation of the role economics has played in U S history since 1776 A study of the U S economy is important to understanding U S politics society and culture To make that study easier this dictionary offers concise essays on more than 1 200 economics related topics Entries cover a broad array of pivotal information on historical events legislation economic terms labor unions inventions interest groups elections court cases economic policies and philosophies economic institutions and global processes Economics focused biographies and company profiles are featured as sidebars and the work also includes both a chronology of major events in U S economic history and a selective bibliography Encompassing U S history since 1776 with an emphasis on recent decades entries range from topics related to the early economic formation of the republic to those that explore economic aspects of information technology in the 21st century The work is written to be clearly understood by upper level high school students but offers sufficient depth to appeal to undergraduates In addition the general public will be attracted by informative discussions of
