

PEACE

I once asked a Friend,
what is Peace to you?

And He told me,
That peace is akin to being able to sleep,
even in the midst of storm.

It is a state of internal calmness,
Even when the external environment is
in a state of chaos and tumult,
Even when the world is aflame,
or when it's against you.

John says: As long as the fascination with words stays with me, I shall continue my dedication to improving my verbal self-worth. The Muse has been kind to me in spite of my bipolar state due to being raped in the workplace some years ago. Writing has been so very therapeutic since that awful day. Such is my dedication that I work through the night; most nights I greet the dawn in my small study and long for the day when Writer's Block is no longer a problem. I first discovered the delightful Jacaranda Tree in Pretoria, South Africa, and want to thank Malgorzata Budzinski for conveying her love of this specific delight.
