Lord Of The Elves Eldils Fantasy

Rose A. Zimbardo, Neil D. Isaacs

Lord Of The Elves Eldils Fantasy:

Lord of the Elves and Eldils Richard Purtill, 2011-05-09 A fascinating look at the fantasy and philosophy of C S Lewis and J R R Tolkien The two men were friends and fellow professors at Oxford renowned Christian thinkers who both found it necessary to create for the purposes of their fiction other worlds not utopias or dystopias but different worlds The great importance of Lewis and Tolkien is that they have succeeded in restating certain traditional values in a way that they make an imaginative appeal to a very wide audience young and old traditionalist and non traditionalist Richard Purtill Author J R R Tolkien Myth Morality and Religion **Lord of the elves and eldils** Richard L. Purtill, 1974 **Lord of the Elves and Eldils** Richard L. Purtill, 1974 This book is a fascinating look at the fantasy and philosophy of C S Lewis and J R R Tolkien The two men were friends and fellow professors at Oxford renowned Christian thinkers who both found it necessary to create for the purposes of their fiction other worlds not utopias or dystopias but different worlds *Is Your Lord Large Enough?* Peter J. Schakel, 2009-09-20 Every year you grow you will find me bigger Aslan to Lucy in Prince Caspian C S Lewis was of course a brilliant apologist and his books contain much to feed your intellect But Lewis was also very concerned about Christian formation and strongly desired to help believers deepen their faith and broaden their vision of God In this book Peter Schakel opens to you the more practical parts of Lewis s wonderful writings Covering areas of potential struggle such as prayer suffering doubt and love Schakel draws principles from Lewis s nonfiction as well as illustrations from the Chronicles of Narnia to stir your imagination and soul so that you might see God in new ways In addition the author quotes from contemporaries of Lewis showing how their thinking fit with Lewis s With reflection questions included this deeper look at Lewis s formational writings is valuable for your personal devotions or for group discussions Either way as you read you will find God bigger and bigger **J.R.R. Tolkien Encyclopedia** Michael D. C. Drout, 2007 A detailed work of reference and scholarship this one volume Encyclopedia includes discussions of all the fundamental issues in Tolkien scholarship written by the leading scholars in the field Coverage not only presents the most recent scholarship on J R R Tolkien but also introduces and explores the author and scholar s life and work within their historical and cultural contexts Tolkien s fiction and his sources of influence are examined along with his artistic and academic achievements including his translations of medieval texts teaching posts linguistic works and the languages he created The 550 alphabetically arranged entries fall within the following categories of topics adaptations art and illustrations characters in Tolkien s work critical history and scholarship influence of Tolkien languages biography literary sources literature creatures and peoples of Middle earth objects in Tolkien s work places in Tolkien s work reception of Tolkien medieval scholars scholarship by Tolkien medieval literature stylistic elements themes in Tolkien s works theological philosophical concepts and philosophers Tolkien s contemporary history and culture works of literature *J.R.R. Tolkien* Richard Purtill, 2011-05-02 Here is an in depth look at the role myth morality and religion play in J R R Tolkien s works such as The Hobbit The Lord of the Rings and The Silmarillion including Tolkien s

private letters and revealing opinions of his own work Richard L. Purtill brilliantly argues that Tolkien's extraordinary ability to touch his readers lives through his storytelling so unlike much modern literature accounts for his enormous literary success This book demonstrates the moral depth in Tolkien's work and cuts through current subjectivism and cynicism about morality A careful reader will find a subtle religious dimension to Tolkien's work all the more potent because it is below the surface Purtill reveals that Tolkien's fantasy stories creatively incorporate profound religious and ethical ideas For example Purtill shows us how hobbits reflect both the pettiness of parochial humanity and unexpected heroism Purtill author of 19 books effectively addresses larger issues of the place of myth the relation of religion and morality to literature the relation of Tolkien's work to traditional mythology and the lessons Tolkien's work teaches for our own lives *Guide to Middle Earth* Colin Duriez, 2004-12-09 This absorbing insight into the mind behind Middle earth will introduce or remind readers of the abundance that exists in Tolkien's thought and imagination Interweaving sections explore The Lord of the Rings and its history the key themes concepts and images in Tolkien's work the people and places in his life and his other writings At the heart of the book is an indispensable A-Z of middle earth with detailed entries on Beings Places Things and Events **I Am in Fact a Hobbit** Perry C. Bramlett, Joe R. Christopher, 2003 John Ronald Reuel Tolkien 1892-1973 was a brilliant writer who continues to leave his imaginative imprint on the mind and hearts of readers He was once called the creative equivalent of a people and for more than sixty years his Middle earth tales have captivated and delighted readers of all ages from all over the world The Hobbit has long been recognized as a children's fantasy classic and the heroic romance the Lord of the Rings has been called the most influential story of all time These stories have sold over 150 million copies worldwide and have been translated into over forty languages and they along with works such as the Silmarillion and the History of Middle Earth have convinced scores of readers and critics that Tolkien is the master writer of fantasy Whether you've been a fan for years or you've just recently been hooked by the blockbuster Lord of the Rings movies I Am in Fact a Hobbit is an excellent starting point into the life and work of J. R. R. Tolkien Book jacket [The Christian World of The Hobbit](#) Devin Brown, 2012 A fantastical story rooted in the author's faith [Tolkien's Art](#) Jane Chance, 2001-10-26 This literary study examines the scholarly and mythological roots of the author's beloved stories including The Hobbit and The Lord of the Rings J. R. R. Tolkien captured the imaginations of generations with his expansive fantasy worlds and tales of high adventure But Tolkien was also an accomplished scholar whose deep knowledge of mythology and language provided a wellspring of inspiration for his fiction In this enlightening study Tolkien specialist Jane Chance uncovers the many sources the author used in composing his works Inspired by works like Beowulf and Gawain and the Green Knight Tolkien relied on both pagan epic and Christian legend to create a distinctly English mythology Chance traces this project through his major works as well as his minor stories and critical essays This revised and expanded edition also examines the paradigm of the critic as monster featured in many of Tolkien's writings **Ents, Elves, and Eriador** Matthew Dickerson, Jonathan Evans, 2006-11-17 A fascinating

ecocritical evaluation of *The Hobbit* *The Lord of the Rings* *The Silmarillion* and other works of the master fantasist Northeastern Naturalist *The Hobbit* *The Lord of the Rings* and *The Silmarillion* are rarely considered to be works of environmental literature or mentioned together with such authors as John Muir Rachel Carson or Aldo Leopold Nonetheless Tolkien's vision of nature is as passionate and has had as profound an influence on his readers as that of many contemporary environmental writers The burgeoning field of agrarianism provides new insights into Tolkien's view of the natural world and environmental responsibility In *Ents* *Elves* and *Eriador* Matthew Dickerson and Jonathan Evans show how Tolkien anticipated some of the tenets of modern environmentalism in the imagined world of Middle earth and the races with which it is peopled Dickerson and Evans examine Tolkien's major works as well as his lesser known stories and essays comparing his writing to that of the most important naturalists of the past century A vital contribution to environmental literature and an essential addition to Tolkien scholarship *Ents* *Elves* and *Eriador* offers both Tolkien fans and environmentalists an understanding of Middle earth that has profound implications for environmental stewardship in the present and the future of our own world This book is for everyone who loves the work of J R R Tolkien and who loves the world around them *Armchair Interviews* Anyone who ever thrilled to Tolkien's fighting trees or to the earthy Tom Bombadil or to the novel charm of the Shire will want to read this important and lovely book Bill McKibben Scholar in Residence in Environmental Studies Middlebury College

Understanding the Lord of the Rings Rose A. Zimbardo, Neil D. Isaacs, 2004 Publisher's description When first published *The Lord of the Rings* stood far from the mainstream no one had seen anything like it for decades Tolkien's almost stridently antimodern tale needed valiant defenders vocal admirers who understood its sources and relished its monumental scale While such champions of modernism as Edmund Wilson mocked Tolkien's archaic structure and language W H Auden a great modernist poet in his own right rose to his defense with a spirited essay on the true nature of the Hero Quest Edmund Fuller's essay collected here discusses the nature of the fairy tale returning to the roots of the term to remove the treacle of Disney and restore the value of realistic enchantment Tolkien's friend C S Lewis takes up the question of why if you have a serious comment to make about real life you would drape it in a never never land of your own He shrewdly argues that it is because real life does have mythic and heroic qualities in abundance This collection also includes among others essays by Marion Zimmer Bradley Verlyn Flieger Paul Kocher Jane Chance and each of the editors as well as a brand new essay by Tom Shippey that shows us how to process all this vast learning adding to it the many delights of the film versions of Tolkien's epic masterpiece so we can relish his achievement all the more

Tolkien and C.S. Lewis Colin Duriez, 2003 This book explores their lives unfolding the extraordinary story of their complex friendship that lasted with its ups and downs until Lewis's death in 1963 Despite their differences of temperament spiritual emphasis and storytelling style what united them was much stronger A shared vision that continues to inspire their millions of readers throughout the world

Stories about Stories Brian

Attebery,2014-02 The first comprehensive study of fantasy's uses of myth this book offers insights into the genre's popularity and cultural importance Combining history folklore and narrative theory Attebery's study explores familiar and forgotten fantasies and shows how the genre is also an arena for negotiating new relationships with traditional tales **C. S. Lewis and the Catholic Church** Joseph Pearce,2013 C S Lewis the great British novelist and Christian apologist has been credited by many including the author for aiding their journey to the Catholic Church For this reason it is often perplexing that Lewis himself never became Catholic In C S Lewis and the Catholic Church Joseph Pearce delves into Lewis's life writings and spiritual influences to shed light on the matter Although C S Lewis's conversion to Christianity was greatly influenced by J R R Tolkien a Catholic and although Lewis embraced many distinctively Catholic teachings such as purgatory and the sacrament of Confession he never formally entered the Church Meticulously researched and beautifully written this book digs deep to present the facts of Lewis's life to illuminate key points in his writings and to ask the question Was C S Lewis on the path to Rome This revised and updated edition with a new introduction by Father Dwight Longenecker is a fascinating historical biographical theological and literary account of a man whose writings have led scores to the Catholic Church despite never having become a Catholic himself **Philosophy of Religion and Art** Gregory E. Trickett,John R. Gilhooly,2021-03-01 This volume serves to fill a lacuna in the literature of the analytic philosophy of religion by relating key philosophical themes to broader aspects of the humanities such as visual art literature and pop culture studies The essays here range from discussions of the nature of art and religious experience to the role of art in religious dialogue and the function of narrative in religious discourse as well as cultural media and artistic and phenomenological experience **C. S. Lewis -- A Life** Alister McGrath,2013-02-18 ECPA 2014 Christian Book Award Winner Non Fiction Fifty years after his death C S Lewis continues to inspire and fascinate millions His legacy remains varied and vast He was a towering intellectual figure a popular fiction author who inspired a global movie franchise around the world of Narnia and an atheist turned Christian thinker In C S Lewis A Life Alister McGrath prolific author and respected professor at King's College of London paints a definitive portrait of the life of C S Lewis After thoroughly examining recently published Lewis correspondence Alister challenges some of the previously held beliefs about the exact timing of Lewis's shift from atheism to theism and then to Christianity He paints a portrait of an eccentric thinker who became an inspiring though reluctant prophet for our times You won't want to miss this fascinating portrait of a creative genius who inspired generations **C. S. Lewis** Margaret Patterson Hannay,2009-02-02 Readers over the world delight in the Narnia tales the adult novels and the sparkling Christian apologetics of C S Lewis His literary criticism continues to provoke and enlighten Here now is an excellent map of Lewis two worlds his life and his imagination In an appealing style unhampered by academic jargon Hannay offers a biographical sketch of a man haunted by longing a man who progressed from arrogant dogmatism to gentleness concise summaries of each of the major works including tantalizing quotations to entice the reader back to the original a survey of the major themes

throughout his writing which connect works as seemingly different from each other as *The Lion the Witch and the Wardrobe*, *Screwtape Letters* and *A Preface to Paradise Lost* an analysis of his literary technique involving his allusive and compelling style

Journey Towards Home S. Steve Park, 2017-03-14 Clives Staples Lewis 1898 1963 called his theological writings as that of a layman and an amateur who merely attempted to restate ancient and orthodox doctrines However S Steve Park argues that Lewis s theological reflections are well informed thoughtful and weighty For instance Lewis s notion of mere Christianity consistently shows his commitment to supernaturalism vs naturalism and eucatastrophic salvationism vs ethical developmentalism in sharp contrast to many prevailing theologians of his time In this book the author expounded Lewis s theological writings rather comprehensively and organized the results according to Lewis s signature literary motif of the journey towards home in four stages Away from Home Homeward Turning Home Away from Home and The Final Home Under these headings Lewis s major theological and literary themes find illuminating treatments with rich contents and penetrating analyses In so doing the author presents to the readers probably for the first time a systematic theology of C S Lewis It turns out that Lewis more than just a storyteller was a significant participant in the world of theological reflections demonstrating himself to be a rather formidable theological mind to be reckoned with

J.R.R. Tolkien's Sanctifying Myth Bradley J. Birzer, 2023-08-29 With a new introduction by the author Peter Jackson s film version of J R R Tolkien s *Lord of the Rings* trilogy and the accompanying Rings related paraphernalia and publicity has played a unique role in the dissemination of Tolkien s imaginative creation to the masses Yet for most readers and viewers the underlying meaning of Middle earth has remained obscure Bradley Birzer has remedied that with this fresh study In *J R R Tolkien s Sanctifying Myth* Understanding Middle earth Birzer reveals the surprisingly specific religious symbolism that permeates Tolkien s Middle earth legendarium He also explores the social and political views that motivated the Oxford don ultimately situating Tolkien within the Christian humanist tradition represented by Thomas More and T S Eliot Dante and C S Lewis Birzer argues that through the genre of myth Tolkien created a world that is essentially truer than the one we think we see around us everyday a world that transcends the colorless disenchantment of our postmodern age
