American identity In *Pillars of Cloud and Fire* Herbert Robinson Marbury offers a comprehensive survey of African American biblical interpretation Each chapter in this compelling volume moves chronologically from the antebellum period and the Civil War through to the Harlem Renaissance the civil rights movement the black power movement and the Obama era to offer a historical context for the interpretative activity of that time and to analyze its effect in transforming black social reality For African American thinkers such as Absalom Jones David Walker Zora Neale Hurston Frances E W Harper Adam Clayton Powell and Martin Luther King Jr the exodus story became the language world through which freedom both in its sacred resonance and its civil formation found expression This tradition Marbury argues has much to teach us in a world where fundamentalisms have become synonymous with authentic religious expression and American identity For African American biblical interpreters to be American and to be Christian was always to be open and oriented toward freedom
