Problems in Modern Mexican History William H. Beezley,Monica A. Rankin,2017-04-20 Mexicans since national independence have defined their challenges as problems or dimensions in their lives They have faced these issues alone or with others through politics security the military police or even public health squads religion family and popular groups This unique reader collects documents texts visuals videos and sounds from organizational reports popular expressions and ephemeral creations to express these concerns reveal responses and measure successes They allow readers to consider and discuss how these documents enabled Mexicans to evaluate their history and culture from 1810 to the present Offering a wide variety of materials that can be tailored to the needs of individual instructors these rich sources will stimulate critical thinking and give students new insights and often surprising respect and understanding for the ways Mexicans have managed to find humor even magic in their lives

Panpipes & Ponchos Fernando E. Rios,2020 Melodious panpipes and kena flutes The shimmering strums of a charango Poncho clad musicians playing El C ndor Pasa at subway stops or street corners while selling their recordings These sounds and images no doubt come to mind for many world music fans when they recall their early encounters with Andean music groups Ensembles of this type known as Andean conjuntos or pan Andean bands have long formed part of the world music circuit in the Global North In the major cities of Latin America too Andean conjuntos have been present in the local music scene for decades not only in Peru Bolivia and Ecuador i e in the Andean countries but also in Argentina Chile Colombia and Mexico It is solely in Bolivia however that the Andean conjunto has represented the preeminent folkloric popular music ensemble configuration for interpreting national musical genres from the late 1960s onward Despite its frequent association with indigenous villages the music of Andean conjuntos bears little resemblance to the indigenous musical expressions of the

Southern Andes Created by urban criollo and mestizo folkloric artists the Andean conjunto tradition represents a form of mass mediated folkloric music one that is only loosely based on indigenous musical practices Panpipes Ponchos reveals that in the early to mid 20th century a diverse range of musicians and ensembles including estudiantinas female vocal duos bolero trios art classical composers and mestizo panpipe groups laid the groundwork for the Andean conjunto format to eventually take root in the Bolivian folklore scene amid the boom decade of the 1960s Author Fernando Rios analyzes local musical trends in conjunction with government initiatives in nation building and the ideologies of indigenismo and mestizaje Beyond the local level Rios also examines key developments in Bolivian national musical practices through their transnational links with trends in Peru Argentina Chile Mexico and France As the first book length study that chronicles how Bolivia s folkloric music movement articulated on the one hand with Bolivian state projects and on the other with transnational artistic currents for the pivotal era spanning the 1920s to 1960s Panpipes Ponchos offers new perspectives on the Andean conjunto s emergence as Bolivia s favored ensemble line up in the field of national folkloric popular music
