Losing Eugenio:

Worldly Philosopher Jeremy Adelman, 2014-10-26 The life and times of one of the most provocative thinkers of the twentieth century Worldly Philosopher chronicles the times and writings of Albert O Hirschman one of the twentieth century's most original and provocative thinkers In this gripping biography Jeremy Adelman tells the story of a man shaped by modern horrors and hopes a worldly intellectual who fought for and wrote in defense of the values of tolerance and change This is the first major account of Hirschman's remarkable life and a tale of the twentieth century as seen through the story of an astute and passionate observer Adelman's riveting narrative traces how Hirschman's personal experiences shaped his unique intellectual perspective and how his enduring legacy is one of hope open mindedness and practical idealism

Narratives of Mothering Gill Rye, 2009 Mothers have been both idealized and demonized in Western cultures With Simone de Beauvoir's feminist analysis of motherhood in *The Second Sex* as her point of departure Rye Germanic and Romance studies U of London studies how French autobiographical and fictional narratives of mothering since 1990 differ from those told about them In the context of societal changes she explores themes including loss and trauma related to childbirth literally and figuratively ambivalence and guilt power and powerlessness and lesbian and single parenting in the works of Christine Angot Genevieve Brisac Marie Darrieussecq Camille Laurens Leila Marouane and Marie Ndiaye among others *The Lady's Magazine Or Entertaining Companion for the Fair Sex*, 1784 **Feminism, Psychoanalysis, and Maternal Subjectivity** Alison Stone, 2013-03-01 In this book Alison Stone develops a feminist approach to maternal subjectivity Stone argues that in the West the self has often been understood in opposition to the maternal body so that one must separate oneself from the mother and maternal care givers on whom one depended in childhood to become a self or in modernity an autonomous subject These assumptions make it difficult to be a mother and a subject an autonomous creator of meaning Insofar as mothers nonetheless strive to regain their subjectivity when their motherhood seems to have compromised it theirs cannot be the usual kind of subjectivity premised on separation from the maternal body Mothers are subjects of a new kind who generate meanings and acquire agency from their position of re immersion in the realm of maternal body relations of bodily intimacy and dependency Thus Stone interprets maternal subjectivity as a specific form of subjectivity that is continuous with the maternal body Stone analyzes this form of subjectivity in terms of how the mother typically reproduces with her child her history of bodily relations with her own mother leading to a distinctive maternal and cyclical form of lived time **The Frozen Heart** Almudena Grandes, 2010-03-25 From the Spanish Maggie O Farrell a sweeping epic about the Spanish Civil War A classy blockbuster a layered saga of family life rivalry and redemption GUARDIAN In the small town of Torrelodones on the outskirts of Madrid a funeral is taking place Julio Carri n Gonz lez a man of tremendous wealth and influence in Madrid has come home to be buried But as the family stand by the graveside his son Alvaro notices the arrival of a stranger a young and attractive woman No one appears to know who she is or why she is

there Alvaro's questions only deepen when the family inherits an enormous amount of money that is a surprise even to them In his father's study Alvaro discovers an old folder with letters sent to his father in Russia between 1941 and 1943 faded photos of people he never met and a locked grey metal box The woman is Raquel Fernandez Perea the daughter of Spaniards who fled during the Civil War One episode in her past has marked her for ever the only time she saw her grandfather cry Her fate and that of the family now hangs on the secrets of Julio's past From the provincial heartlands of Spain to the battlefields of Russia THE FROZEN HEART is a mesmerising journey through a war that tore families apart pitted fathers against sons brothers against brothers wives against husbands Against such a past where do faith and loyalty lie **The Lady's**
