Losing God:

Losing God Matt Rogers, 2008-09-30 Recounting his own history Matt Rogers explores the question of how in a world of suffering we can call God good This challenging question can manifest itself as a conspiracy of doubt and depression so that our emotions and our intellect come under attack Will God deliver us through this distressing journey A Biblical Analysis of Corrective Church Discipline: God's Loving Plan to Rescue and Restore Believers Dr. Todd M. Fink, 2019-03-08 Corrective church discipline is probably the most difficult task of a church and its leaders It s often time consuming ugly has fallout and usually involves criticism Therefore rather than deal with the difficulties of implementing church discipline we often look for ways to get around it so we don t have to deal with the problems it might entail This might be an easier approach but it s not the biblical approach This book tackles this important doctrine head on and seeks to let God say what He intended to say about church discipline After all He is the one who spoke about it in the first place **Twelve (Thirteen) sermons from**

the Quaresimale, tr. by J. Ford Paolo Segneri, 1860 **From Obscurity into God'S Marvelous Light** J. C. Johnson, 2015-05-05 We were created for a purpose but in this constantly changing world many of us become disillusioned by life and fail to discover our purposes and embrace our destinies We meander through life seeking to find ourselves and a meaning for our existence yet we remain disoriented and unfilled But there is hope Our lives do not have to be like this we can discover our purpose and walk in our predestined roles The person God created us to be is within us but has become obscured with the trivial issues we allow to define us Author J C Johnsons From Obscurity into Gods Marvelous Light Finding the You that You Were Predestined to Be demonstrates how answering Gods call on our lives empowers us to find our purposes and live in our destinies When we answer Gods call we embark on a life changing journey We are transformed and become the persons God intends us to be We emerge from obscurity and into His marvelous light Johnson uses her personal experiences and life lessons to inspire and empower us to travel our journey and to find and embrace the person God predestined us to be Are you willing to find who you were predestined to be From Obscurity into Gods Marvelous Light Finding the You that You Were Predestined to Be will help you find that person and leave a legacy that will impact the lives of others for generations *In Pursuit of God's Presence* Mary Simpson, 2008-04 In this work an effort is made to help individuals charter a course to and then remain in God s presence by understanding how He abides with His people Christian

Three Stages of Salvation: Heavenly-Oriented or Hell-Bound? Amoakoh Gyasi-Agyei, 2015-01-20 The world has reached a stage in which value systems are trampled underfoot or supplanted by moral relativism At best we are guided by the law rather than our consciences Therefore evil practices which escape the law are condoned Almost everything is subtly covered in deception and those skillful in deception win the race The only way by which humanity can escape deception and stop killing each other and preserve the universe is to accept salvation in Jesus Christ and live by biblical disposition Elder Ing Prof Amoakoh Gyasi Agyei digs deep into how the three parts of humanity spirit soul and body can be redispensed to the

original masterpiece of God to bring the world back to decorum He uses the Holy Bible to answer many human dilemmas caused by rebellion against God including how to reach the supreme God the origin of deception and its antidote predestination sexuality humans as instruments of praiseworthy acts versus the instrument of evil heaven and hell the origin and eternal destination of the human spirit soul and body blessings associated with lifestyle of biblical disposition versus curses with worldliness and the origin and the fate of the current universe This book is a must read by everybody

Coexistentialism and the Unbearable Intimacy of Ecological Emergency Sam Mickey, 2016-07-29 The philosophy of existentialism is undergoing an ecological renewal as global warming mass extinction and other signs of the planetary scale of human actions are making it glaringly apparent that existence is always ecological coexistence One of the most urgent problems in the current ecological emergency is that humans cannot bear to face the emergency Its earth shattering implications are ignored in favor of more solutions fixes and sustainability transitions Solutions cannot solve much when they cannot face what it means to be human amidst unprecedented uncertainty and intimate interconnectedness Attention to such uncertainty and interconnectedness is what ecological existentialism Deborah Bird Rose or coexistentialism Timothy Morton is all about This book follows Rose Morton and many others e.g. Jean-Luc Nancy Peter Sloterdijk and Luce Irigaray who are currently taking up the styles of thinking conveyed in existentialism renewing existentialist affirmations of experience paradox uncertainty and ambiguity and extending existentialism beyond humans to include attention to the uniqueness and strangeness of all beings all humans and nonhumans woven into ecological coexistence Along the way coexistentialism finds productive alliances and tensions amidst many areas of inquiry including ecocriticism ecological humanities object oriented ontology feminism phenomenology deconstruction new materialism and more This is a book for anyone who seeks to refute cynicism and loneliness and affirm coexistence
