Dickinson,1915 For contents see Author Catalog The Lost Angel Javier Sierra,2011-10-04 Bestseller Javier Sierra presents a new historical enigma a mysterious pair of 16th century stones used for communicating with God Provided by publisher The Publishers' Trade List Annual ,1904 *The Living Drama* Nellie Burget Miller,1924 This study will endeavor to present in simple and concise form a survey of this continuous dramatic movement from its earliest recorded expression to contemporary moments under a single cover Since to know thoroughly the dramatic output of any one

period might command the industry of a lifetime the task is a colossal one and precludes any pretense at completeness the treatment is suggestive rather than informative and should be supplemented by a study of the plays indicated under each section After all the important thing is not the painful piling of fact upon fact but gaining an intelligent working knowledge of the whole and knowing exactly where to turn for detail when it is needed The information has been gathered from many works upon the various phases to which the writer is deeply indebted all of which are indicated in the bibliographies We purpose then to take a sort of Cook s Tour over the whole domain of the drama touching the main points of interest and leaving the reader to return and explore at leisure
