Lost Stories Yesterday And Today At Putinbay Including Theresa Thorndales

Kieran Robertson

Lost Stories Yesterday And Today At Putinbay Including Theresa Thorndales:

Lost Stories Ronald L. Stuckey, 2002 A collection of previously printed accounts revealing past happenings for the most part on those properties now owned by the State of Ohio at the village of Put in Bay on South Bass Island These articles printed here from their original source appeared as early as 150 years ago in newspapers published in Sandusky Ohio

Little Ohio Kieran Robertson, 2019-11-26 Ohio's small towns have great stories Little Ohio presents 100 of the state's tiniest towns and most miniature villages With populations under 500 these charming and unique locations dot the entire state from Lake Seneca in the Northwest corner to Neville bordering the Ohio River and the state of Kentucky Little Ohio even ventures into Lake Erie telling the story of Put in Bay The selected locations help readers to appreciate the broader history of small town life in Ohio Yet each featured town boasts a distinct narrative as unique as the citizens who call these places home Some villages offer hundreds of years of history such as Tarlton laid out before Ohio had even gained statehood Others were built with more expedience such as Yankee Lake a town that was incorporated simply so its founder could host dances on Sundays without breaking state law With full color photographs fun facts and fascinating details about every locale it's almost as if you're walking down Main Street waving hello to folks who know you by name These residents are innovators hard workers and most of all good neighbors They're people who have piled into small school houses to wait out roaring flood waters rebuilt after disastrous fires took their homes and captured bandits straight out of the Wild West Little Ohio written by lifelong resident Kieran Robertson is for anyone who grew up in a small town and for everyone who takes pride in being called an Ohioan It's one book with one hundred places to love

Kelleys Island Leslie Korenko, 2009 A comprehensive richly detailed and surprisingly entertaining history of Kelleys Island a small remote island in Lake Erie Its history is told by the islanders in their own words You can read their correspondence letters to newspapers as well as articles found in an incredible handwritten newspaper the *Islander*

Lake Erie Islands Michael Gora, 2004 For those of us who know the area the Lake Erie Islands are a beautiful and special place that can more than compete with any other islands as a place to live or visit But much of their history has been difficult to find for a long time There are many wonderful stories and pictures about the history of Put in Bay Middle Bass Island North Bass Island Pelee Island and Kelleys Island as well as many of the smaller islands that we have compiled into this volume The first of six sections in the book includes all of Lydia Ryall's 1913 Sketches and Stories of the Lake Erie Islands Perry Centennial Edition 1813-1913 The other sections contain a wealth of additional information and pictures some of which has never been published before Many footnotes are provided to point out errors in the original material and to provide interesting additional information A publication of the Lake Erie Islands Historical Society the book contains 266 pictures and is fully indexed Keeping the book interesting to read while also allowing it to be a good reference work has been of high priority Many of the original pictures have been digitally cleaned up and enhanced and the material has been carefully selected to be enjoyable to browse or read carefully We believe that this is the most complete

history of the Lake Erie Islands that has ever been published Please visit the author s web site at <http://www.middlebass.org>
