Lost Fathers:

Lost Fathers Laraine Herring, 2005-03-03 Examines the long term ramifications for adult women who as adolescent girls lost their fathers to death divorce or addiction helps them understand how their behaviors were shaped by that loss at a pivotal developmental stage and provides some interactive exercises to help them heal Original **Lost Fathers** Cynthia R. Daniels, 2000-04 This book brings together the voices of a highly diverse group of scholars to reflect on the culturally and politically charged concept of fatherlessness in contemporary American politics **Absent Fathers, Lost Sons** Guy Corneau, 2018-03-27 A Jungian analyst examines masculine identity and the psychological repercussions of fatherlessness whether literal spiritual or emotional in the baby boom generation An experience of the fragility of conventional images of masculinity is something many modern men share Psychoanalyst Guy Corneau traces this experience to an even deeper feeling men have of their fathers silence or absence sometimes literal but especially emotional and spiritual Why is this feeling so profound in the lives of the postwar baby boom generation men who are now approaching middle age Because he says this generation marks a critical phase in the loss of the masculine initiation rituals that in the past ensured a boy's passage into manhood In his engaging examination of the many different ways this missing link manifests in men's lives Corneau shows that for men today regaining the essential second birth into manhood lies in gaining the ability to be a father to themselves not only as a means of healing psychological pain but as a necessary step in the process of becoming whole

THE MISSING FATHERS Stacy M. Amewoyi, 2021-05-26 In the third part of this novel series Stacy M Amewoyi brought up stories of prominent figures now who have achieved a lot even though their fathers were not available and example is the former President of the United States Barack Obama his story was captured he was raised by a single mother and also grandparents but wished he had his father involved so well in his upbringing However she called for more of the kids who had no father growing up but managed to succeed in life to forgive and reconnect further with their biological parents

Among the Tartar Tents, Or, The Lost Fathers. A Tale Anne Bowman, 1861 *The Myth of the Missing Black Father* Roberta L. Coles, Charles St. Clair Green, 2010 Common stereotypes portray black fathers as being largely absent from their families Yet while black fathers are less likely than white and Hispanic fathers to marry their child's mother many continue to parent through cohabitation and visitation providing caretaking financial and other in kind support This volume captures the meaning and practice of black fatherhood in its many manifestations exploring two parent families cohabitation single custodial fathering stepfathering noncustodial visitation and parenting by extended family members and friends Contributors examine ways that black men perceive and decipher their parenting responsibilities paying careful attention to psychosocial economic and political factors that affect the ability to parent Chapters compare the diversity of African American fatherhood with negative portrayals in politics academia and literature and through qualitative analysis and original profiles illustrate the struggle and intent of many black fathers to be responsible caregivers This collection also includes interviews with

daughters of absent fathers and concludes with the effects of certain policy decisions on responsible parenting

Fatherless Daughters Pamela Thomas, 2009-08-18 Thomas offers a moving elegantly written book about what it means to lose a father to death or divorce with advice for fatherless daughters on how to cope

Healing after Parent Loss in Childhood and Adolescence Phyllis Cohen, K. Mark Sossin, Richard Ruth, 2014-01-31 In *Healing after Parent Loss in Childhood and Adolescence* Therapeutic Interventions and Theoretical Considerations experts explore the varied often complex and always tragic circumstances under which young people face losing a parent Profound grief and feelings of powerlessness may accompany loss of a parent at any age but distinctly so when such loss is experienced during formative years Whenever these individuals seek help therapists must be psychically prepared to enter into arenas of trauma bereavement and mourning The children teens and adults presented are diverse in age culture ethnicity and socioeconomic status A diverse group of contributors showcase a wide range of effective approaches from traditionally structured short and long term psychotherapies and psychoanalysis to psycho educational supportive and preventive interventions The writers in this volume do not shy away from tough matters such as urban violence AIDS and war they address concerns practicing clinicians face such as when to work with children adolescents and adults individually and when and how to involve their surviving parents and families Included in this book are issues related to the self care and professional development needs of therapists who take on this difficult but essential work including peer support and supervision This volume is likely to spark important re examinations across all fields of mental health practice It will equip and empower clinicians of all kinds who undertake work with those who are grieving *Healing after Parent Loss in Childhood and Adolescence* promises to be a vital and stimulating read for supervisors teachers and trainers of child adolescent and family clinicians

The New evangelical Church of England champion, by W. Bailey William Bailey (A.B.), **Modernist Mysteries: Persephone** Tamara Levitz, 2012-09-27 Here Levitz demonstrates how a group of collaborating artists Igor Stravinsky Ida Rubenstein Jacques Copeau Andr Gide and others used the myth of Pers phone to perform and articulate their most deeply held beliefs about four topics significant to modernism religion sexuality death and historical memory in art

Father Found Duane Heisinger, 2003 *When Parents Die* Rebecca Abrams, 2013-01-17 The death of a parent marks an emotional and psychological watershed in a person's life For children and teenagers the loss of a parent if not handled sensitively can be a lasting trauma and for adults too a parent's death can be a tremendous blow *When Parents Die* speaks to bereaved children of all ages Rebecca Abrams draws on her personal and professional understandings of parental loss as well as the experiences of many other adults teenagers and children to provide the reader with an honest compassionate and insightful exploration of the experience of losing a parent The book covers the entire course of grieving from the immediate aftermath of a parent's death through to the point of recovery paying particular attention to the many circumstances that can prolong and complicate mourning including sudden death An indispensable aid to the bereaved and the many professionals who work

with them this book is written in a clear and sympathetic style It has been fully revised for this third edition to take recent research into account *The Father* Luigi Zoja,2003-09-02 Luigi Zoja views the origin and evolution of the father from a Jungian perspective He argues that the father's role in bringing up children is a social construction that has been subject to change throughout history and looks at the consequences of this along with the crisis facing fatherhood today The Father will be welcomed by people from a wide variety of disciplines including practitioners and students of psychology sociology and anthropology and by the educated general reader **Handbook of Father Involvement** Natasha J. Cabrera,Catherine S. Tamis-LeMonda,2012-12-06 This book brings together experts from diverse scientific disciplines who share an interest in the topic of father involvement Unlike most books in the field which tend to solely draw from a psychological perspective this Handbook merges theories and research from the unique fields of psychology economics demography sociology anthropology and social policy For the most part research on fathering is motivated by concern for children's well being Social scientists share a core set of questions including Who are fathers What is father involvement and how does it affect children and families What are the determinants of father involvement How do cultural contexts shape fathers roles in families This Handbook sheds light on how a cross disciplinary approach to the study of fathering can advance knowledge about these fundamental questions This integrative approach is fundamental to a comprehensive understanding of human development generally and to fathering more specifically At the core of this book are the goals of describing and understanding the nature antecedents and consequences of father involvement across biological status family structure culture and stages in children's development both within and across scientific boundaries Each of the scientific disciplines represented offers unique methodological and theoretical approaches to the study of fathering and to the interpretation of behavioral patterns that characterize ecological systems that include as well as extend beyond family units Together the chapters offer provocative and challenging insight into the nature and meaning of fatherhood and father involvement by questioning longstanding assumptions about fathers roles in the lives of families and children in current history **Tuesday Mornings with the Dads** Dads Group,The Dads Group,2009-08 Tuesday mornings with the dads tells the stories of fourteen men who share the same thing in common they've all lost children in one way or another It's about how these children lived on they blessed their families and their communities And more than anything it's about how their fathers have had to continue to live after their deaths Foreword by Tony Dungy *Barack Obama in Hawai'i and Indonesia* Dinesh Sharma,2011-09-22 Distinguishing itself from the mass of political biographies of Barack Obama this first interdisciplinary study of Obama's Indonesian and Hawai'ian years examines their effect on his adult character political identity and global world view The first 18 years of President Obama's life from his birth in 1961 to his departure for college in 1979 were spent in Hawai'i and Indonesia These years fundamentally shaped the traits for which the adult Obama is noted his protean identity his nuanced appreciation of multiple views of the same object his cosmopolitan breadth of view and his self rooted outpost patriotism Barack Obama in

Hawai i and Indonesia The Making of a Global President is the first study to examine in fascinating detail how his early years impacted this unique leader Existing biographies of President Obama are primarily political treatments Here cross cultural psychologist and marketing consultant Dinesh Sharma explores the connections between Obama s early upbringing and his adult views of civil society secular Islam and globalization The book draws on the author s on the ground research and extensive first hand interviews in Jakarta Honolulu New York Washington DC and Chicago to evaluate the multicultural inputs to Obama s character and the ways in which they prepared him to meet the challenges of world leadership in the 21st century *Fatherhood Scenarios* Rama Rao Gogineni, April E. Fallon, Andres J. Pumariiega, Salman Akhtar, 2024-05-08

Fatherhood Scenarios offers a wide range of perspectives including different cultural and ethnic perspectives and chapters considering the role of the father throughout the lifespan including experiences of gay fathers adoptive fathers and disabled fathers With contributors from around the world representing diverse mental health disciplines these chapters constitute a harmonious gestalt of knowledge information theory and socio clinical dimensions pertaining to fatherhood The emphasis of all these sections is nonetheless the psychosocial tasks of fatherhood as it undergoes subtle and gradual transformation with the offspring s growth through childhood and adolescence to full adulthood including becoming a parent themselves The book also traces the portrayal of fatherhood in popular media including television and movies keeping in mind their evolution and transformation over the past many decades Spanning a vast terrain of psychosocial concern *Fatherhood Scenarios* will be of great appeal to mental health professionals psychotherapists child psychiatrists and family welfare workers in practice and in training Rethinking Kerouac Erik Mortenson, Tomasz Sawczuk, 2024-12-12

This long overdue reevaluation of Jack Kerouac gives fresh perspectives on his unique literary output his vexed relation to issues of race class and gender as well as his continuing cultural afterlife This collection of essays by esteemed Beat commentators reassesses one of the 20th century s most emblematic but often misunderstood American writers Despite amassing a substantial body of influential work and becoming a recognizable icon globally Kerouac has often suffered critical neglect and this volume seeks to offer a range of fresh perspectives on his unique artistic output as well as his continuing cultural afterlife Through an examination of classic texts like *On the Road* to more obscure ones like *Pic* these essays recalibrate our understanding of the writer by placing his creative output into dialogue with current cultural issues to provide a rethinking of how concerns such as race gender relations artificial intelligence populist rhetoric and queerness inform his work and its contemporary reception These essays also examine how the peculiarities of global circulation and social media influence the ongoing cultural appropriation of Kerouac in popular music literature and online Through these varied approaches *Rethinking Kerouac Afterlives Continuities Reappraisals* provides an indispensable account of the continued relevance of both Kerouac the writer and Kerouac the cultural icon in the 21st century Small Screen, Big Feels Melissa Ames, 2020-12-02 While television has always played a role in recording and curating history shaping cultural memory and influencing public sentiment the changing nature of the

medium in the post network era finds viewers experiencing and participating in this process in new ways They skim through commercials live tweet press conferences and award shows and tune into reality shows to escape reality This new era defined by the heightened anxiety and fear ushered in by 9 11 has been documented by our media consumption production and reaction In Small Screen Big Feels Melissa Ames asserts that TV has been instrumental in cultivating a shared memory of emotionally charged events unfolding in the United States since September 11 2001 She analyzes specific shows and genres to illustrate the ways in which cultural fears are embedded into our entertainment in series such as The Walking Dead and Lost or critiqued through programs like The Daily Show In the final section of the book Ames provides three audience studies that showcase how viewers consume and circulate emotions in the post network era analyses of live tweets from Shonda Rhimes s drama How to Get Away with Murder 2010 2020 ABC s reality franchises The Bachelor 2002 present and The Bachelorette 2003 present and political coverage of the 2016 Presidential Debates Though film has been closely studied through the lens of affect theory little research has been done to apply the same methods to television Engaging an impressively wide range of texts genres media and formats Ames offers a trenchant analysis of how televisual programming in the United States responded to and reinforced a cultural climate grounded in fear and anxiety
