Lost Soul The Confederate Soldier In New England:

Lost Soul Les Rolston, 2017-02-21 Beginning with nothing more than a handful of dirt author Les Rolston's innocent curiosity about this mysterious soldier's grave became a journey of thousands of miles that eventually led him to the soldier's family

Lost Soul Les Rolston, 2025-01-23 Sam Postlethwaite was a Confederate soldier buried in an unmarked grave in Rhode Island Beginning with nothing more than a handful of dirt author Les Rolston's innocent curiosity about this mysterious soldier's grave became a journey of thousands of miles that eventually led him to the soldier's family The result is this factual account of Postlethwaite's odyssey and the author's determined efforts to learn his story Other important facets of this affecting historical account are the experiences of Postlethwaite's fourteen year old brother who found glory with Stonewall Jackson in the Shenandoah Valley and a boy from a prominent Rhode Island family who was emotionally ruined by the Civil War Both their families embittered by war were destined to merge through a Civil War romance and marriage This book is a tribute to all of the people Northerners and Southerners who joined together to choose forgiveness and understanding over bitterness and hatred

Hidden History of Rhode Island and the Civil War Frank L Grzyb, 2013-03-05 The smallest state to defend the Union and one far from the battlefield Rhode Island's stories of the Civil War are often overlooked From Brown University's John M Hay later to become Lincoln's assistant secretary to the city of Newport's role as the temporary headquarters for the U S Naval Academy the Civil War history of the Ocean State is a fascinating if little known tale Few know that John Wilkes Booth visited Newport to meet his supposed fiancée just nine days before he assassinated President Lincoln The state also contributed several high ranking officers to the Union effort and more surprisingly two prominent officers to the Confederacy Remarkably Kady Southwell Brownell also openly served as a soldier in a Rhode Island infantry regiment Join author Frank L Grzyb as he investigates Rhode Island's rich Civil War history and unearths century old stories that have since faded into obscurity

Honoring Our Ancestors Megan Smolenyak, 2002 Honoring our Ancestors provides 50 stories that hold one common thread the seemingly endless ways to creatively pay tribute to those who came before us One man built a Viking ship and sailed across the Atlantic another devoted decades to collecting slavery memorabilia One family passed a diaper down through four generations while another staged a scavenger hunt that helped family members get to know their ancestral hometown Back cover
