Lost Years Christopher Isherwood, 2000-09 For nearly a half decade he all but ceased to write fiction and even abandoned his lifelong habit of keeping a diary

Christopher Isherwood Jake Poller, 2025-04-12 A fresh and approachable critical biography of the twentieth century Anglo American writer Christopher Isherwood wrote modernist novels before he evolved into a pioneer of autofiction his novel *Goodbye to Berlin* inspired the hit musical *Cabaret* Everything changed when Isherwood emigrated to America in 1939 His newfound pacifism and studies as a Hindu monk led to new kinds of novels including *A Single Man* that reflected his evolving spiritual interests and blazed a trail for the gay liberation movement In this new biography Jake Poller takes a holistic approach to Isherwood exploring his life and writing as well as the impact of Vedanta philosophy on Isherwood's work This book offers a concise yet thorough account of a monumental figure

Queer Times Jamie M. Carr, 2013-10-23 This book maps Christopher Isherwood's intellectual and aesthetic reflections from the late 1930s through the late 1970s Drawing on the queer theory of Eve Sedgwick and the ethical theory of Michel Foucault Carr illuminates Isherwood's post war development of a queer ethos through his focus on the aesthetic social and historical politics of the 1930s in his novels *Prater Violet* 1945 *The World in the Evening* 1954 and *Down There on a Visit* 1962 and in his memoir *Christopher and His Kind* 1929 1939 1976

Isherwood in Transit James J. Berg, Chris Freeman, 2020-06-09 New perspectives on Christopher Isherwood as a searching and transnational writer Perhaps I had traveled too much left my heart in too many places muses the narrator of Christopher Isherwood's novel *Prater Violet* 1945 which he wrote in his adopted home of Los Angeles after years of dislocation and desperation In *Isherwood in Transit* James J. Berg and Chris Freeman bring together diverse Isherwood scholars to understand the challenges this writer faced as a consequence of his travel Based on a conference at the Huntington Library where Isherwood's recently opened papers are held *Isherwood in Transit* considers the writer not as an English continental or American writer but as a transnational one whose identity politics and beliefs were constantly transformed by global connections and engagements arising from journeys to Germany Japan China and Argentina his migration to the United States and his conversion to Vedanta Hinduism in the 1940s Approaching Isherwood's rootlessness and restlessness from various perspectives these essays show that long after he made a new home in California and became an American citizen Christopher Isherwood remained unsettled although his wanderings became spiritual and personal rather than geographic Contributors Barrie Jean Borich DePaul U Jamie Carr Niagara U Robert L Caserio Penn State U University Park Lisa Colletta American U of Rome Lois Cucullu U of Minnesota Jaime Harker U of Mississippi Carola M Kaplan California State U Pomona Calvin W Keogh Central European U Budapest Victor Marsh Wendy Moffat Dickinson College Xenobe Purvis Bidhan Roy California State U Los Angeles Katharine

Stravinsky Stephen Walsh, 2010-06-09 Packed with rich and fascinating detail the third volume of the magisterial biography of Igor Stravinsky casts a brilliant new light on the greatest composer of the twentieth century Among the best musical biographies of the last half century patiently disentangling fact and myth Minneapolis Star Tribune This volume begins in 1934 when Stravinsky is fifty two and living in France Already regarded by many as the most important composer of his generation Stravinsky is nevertheless at this point a fairly unhappy expatriate all too aware of the war clouds beginning to gather Though he still maintains a family life with his wife and children much of his time is spent with his mistress Vera Sudeykina while traveling around Europe giving concerts in order to earn the money to support his dependents which include a number of relatives Composing of course remains the center of his existence But changes are imminent within only a few years his wife Katya will be dead his family scattered and Stravinsky himself together with Vera starting over again in America Stravinsky The Second Exile follows the composer through the remainder of his long life years during which he produces such masterworks as *The Rake's Progress* and *Symphony in C* and achieves a new level of fame as a conductor and raconteur in his own right

With a dazzling command of sources in several languages and a keen feeling for accuracy in situations where truth and falsehood have become blurred Walsh traces and illuminates Stravinsky's increasingly complex and often agonized family relationships along with his crucially important connection with his associate Robert Craft Walsh is also as a musicologist and critic able to speak with knowledge and wit about Stravinsky's work expertly describing and assessing the composer's musical journey from the neoclassicism of his late French and early American periods through his early essays in serial technique and on finally to the astonishing intricacies of his final compositions The first volume of this biography Stravinsky A Creative Spring was received with glowing praise for its insight narrative skills and readability The period covered here beset as it is with myths and misconceptions is handled with even greater authority George Platt Lynes Allen Ellenzweig, 2021-11-09 A precocious American youth who entered the orbit of American and British expatriates populating Paris and the South of France in the 1920s George Platt Lynes went on to become a supremely assured portrait photographer documenting the great figures of literature painting opera and dance of mid twentieth century This new biography tells his story in full Atlantic Republic Paul Giles, 2006-11-23 Atlantic Republic traces the legacy of the United States both as a place and as an idea in the work of English writers from 1776 to the present day Seeing the disputes of the Reformation as a precursor to this transatlantic divide it argues that America has operated since the Revolution as a focal point for various traditions of dissent within English culture By ranging over writers from Richard Price and Susanna Rowson in the 1790s to Angela Carter and Salman Rushdie at the turn of the twenty first century the book argues that America haunts the English literary tradition as a parallel space where ideology and aesthetics are configured differently Consequently it suggests many of the key episodes in British history parliamentary reform in the 1830s the imperial designs of the Victorian era the twentieth century conflict with fascism the advance of globalization since 1980 have been shaped by implicit dialogues with American cultural models Rather than simply reinforcing the benign myth of a special relationship Paul Giles considers how various English writers over the past 200 years have engaged with America for various complicated reasons its promise of political republicanism Byron Mary Shelley its emphasis on religious disestablishment Clough Gissing its prospect of pastoral regeneration Ruxton Lawrence its vision of scientific futurism Huxley Ballard The book also analyses the complex cultural relations between Britain and the United States around the time of the Second World War suggesting that writers such as Wodehouse Isherwood and Auden understood the United States and Germany to offer alternative versions of the kind of technological modernity that appeared equally hostile to traditional forms of English culture The book ends with a consideration of ways in which the canon of English literature might appear in a different light if seen from a transnational rather than a familiar national perspective **An Accidental Pope** Mirosław Aleksander Miernik, 2025-10-30 The novel Hadrian the Seventh has received critical attention in the past there remain significant gaps in the scholarship regarding Frederick Rolfe's novel which this collection of essays aims to fill particularly in terms of its political religious philosophical

and literary aspects The topics discussed include the novel's place in literary history both in terms of bridging Decadence with modernism as well as drawing on the Victorian literary tradition inspiring later authors as well as its genre offering new perspectives casting Frederick Rolfe's novel as a humorous book in the Decadent tradition and engaging in camp aesthetics Political issues frequently connected with religious matters owing to the book's subject matter are represented by contributions discussing the role of the Catholic Church in the 20th century engaging in discussion with Leo XIII's conciliatory modernist approach The issues addressed include the tension between temporal and spiritual power and the Vatican's role in international policymaking Some chapters focus on specific scenes such as the conclave and the Pope's visit to St Andrew's College provide insight into the protagonist's dislike of established Vatican politics

Henry James and Queer Modernity Eric Haralson, 2003-03-27 In Henry James and Queer Modernity first published in 2003 Eric Haralson examines far reaching changes in gender politics and the emergence of modern male homosexuality as depicted in the writings of Henry James and three authors who were greatly influenced by him Willa Cather Gertrude Stein and Ernest Hemingway Haralson places emphasis on American masculinity as portrayed in fiction between 1875 and 1935 but the book also treats events in England such as the Oscar Wilde trials that had a major effect on American literature He traces James's engagement with sexual politics from his first novels of the 1870s to his major phase at the turn of the century The second section of this study measures James's extraordinary impact on Cather's representation of queer characters Stein's theories of writing and authorship as a mode of resistance to modern sexual regulation and Hemingway's very self constitution as a manly American author

The Animals Christopher Isherwood, Don Bachardy, 2024-09-04 Theirs is an enormous love These are tender sweet campy love letters we are given the privilege of reading Annalisa Quinn NPR Books The English novelist and screenwriter Christopher Isherwood was already famous as the author of *Goodbye to Berlin* when he met Don Bachardy a California teenager on the beach in Santa Monica in 1952 Within a year they began to live together as an openly gay couple defying convention in the closeted world of Hollywood Isherwood was forty eight Bachardy was eighteen *The Animals* is the testimony in letters to their extraordinary partnership which lasted until Isherwood's death in 1986 despite the thirty year age gap affairs and jealousy on both sides the pressures of increasing celebrity and the disdain of twentieth century America for love between two men The letters reveal the private world of the *Animals* Isherwood was Dobbin a stubborn old

workhorse Bachardy was the rash playful Kitty Isherwood had a gift for creating a safe and separate domestic milieu necessary for a gay man in midtwentieth century America He drew Bachardy into his semi secret realm nourished Bachardy s talent as a painter and launched him into the artistic career that was first to threaten and eventually to secure their life together The letters also tell of public achievements the critical acclaim for A Single Man the commercial success of Cabaret and the bohemian whirl of friendships in Los Angeles London and New York with such stars as Truman Capote Julie Harris David Hockney Vanessa Redgrave Gore Vidal and Tennessee Williams Bold transgressive and playful The Animals articulates the devotion in tenderness and in storms between two uniquely original spirits Fascinating DJ Taylor The Spectator London
