disputed documents concerning Christ *Unknown Years Of Jesus' Humanity* Audrey Nitsche, 2021-06-30 So many times I wonder what Jesus life was really like outside of what s written in the Bible While the gospels talk about his wisdom and teachings they don t really reveal the true man he was and how he handled the delicacies of humanity s primal nature The book ponders the possible lost years of Jesus Christ which enabled him to proclaim his gospel parables of faith hope and love It hypothesizes the humble humanity of Jesus existence on Earth and the life he may have lived to go from being a naive boy to turning into the wise man who would become a Messiah It also describes the author s own faith journey in God Just ask yourself what must Jesus have been like during all those years we know nothing about him How did God persuade him to elegantly heal and do miracles Was he ever reluctant to take on his destined role Did he always have long hair Did he have a pet while a young man Did he ever make mistakes while learning the true ways and nuances of living life This book asks those questions and many more in hopes we begin to believe we can become more like his humble integrity and loving intelligence showed us **The New Conspiracy Reader** Al Hidell, Joan D'Arc, 2004 Ever wondered if you re being told the whole truth about supernatural phenomena new developments in biological and chemical warfare and atrocities like Heaven s Gate This all new anthology features thirty one provocative and engrossing articles from the pages of Paranoia the world s most popular and respected conspiracy journal For the first time you ll get the real story behind the important cultural and political events that shape our world Compelling controversial and featuring a wealth of documentation and sources The New Conspiracy Reader will convince you that the truth is indeed out there and may be stranger than you ever imagined Book jacket *The Great White Brotherhood in the Culture History and Religion of America* Elizabeth Clare Prophet, 1976 This insightful book reveals the little known role of the masters of wisdom who work together with their students to fulfill the cosmic destiny of the millions of souls evolving on the planet earth **Incredible Shrinking Son of Man** Robert M. Price, 2009-09-25 This book should be mandatory reading for all scholars concerned with Christian origins nothing of comparable importance has been written for at least a decade Freethinker For more than a century scholars have been examining the Gospels and other traditions about the life of Jesus to determine their historical accuracy Although the results of these scholarly efforts are sometimes controversial the consensus among researchers today is that the four Evangelists accounts cannot be taken at face value In fact a team of more than 100 scholars called the Jesus Seminar has come to the conclusion that on average only about 18 percent of the four Gospels is historically accurate An active member of the Jesus Seminar Dr Robert M Price presents the fruits of this important historical research in this fascinating discussion of early Christianity As the title suggests Price is none too optimistic about the reliability of the Gospel tradition as a source of accurate historical information about the life of Jesus Indeed he feels that his colleagues in the Jesus Seminar are much too optimistic in their estimate of authentic material in the Gospels After an introduction to the historical critical method for nonspecialists and a critique of the methods used by the Jesus Seminar Price systematically discusses the narrative and

teaching materials in the Gospel clearly presenting what is known and not known about all of the major episodes of Jesus life He also examines the parables for authenticity as well as Jesus teachings about the Kingdom of God repentance prayer possessions and poverty the Atonement and many other features of the Gospels Written for the general reading public in a lively and accessible style Dr Price s highly informative discussion will be of interest to anyone who has wondered about the origins of Christianity *Lost Teachings on Keys to Spiritual Progress* Mark Prophet, Elizabeth Clare Prophet, 1988 Gives you the tools to transcend life s circumstances and realize more of your higher self every day With inspirational stories of seven saints and mystics and their individual paths to self mastery **Mary Magdalene and the Divine Feminine** Elizabeth Clare Prophet, Annice Booth, 2020-08-17 What was Jesus relationship with Mary Magdalene What did he teach about the role of women Is God only male Mary Magdalene and the Divine Feminine explores these questions and much more as it unfolds Jesus liberating teaching on Woman and on the true nature and destiny of the soul teaching that has been lost for thousands of years With detailed research and penetrating insight Elizabeth Clare Prophet shows that Jesus actually broke with the tradition of his time and brought a revolutionary and freeing message for women that was later suppressed She talks about why early Christian leaders denied Jesus message on reverence for Woman and on the inner feminine potential of both man and woman She also reveals the true relationship of Jesus and Mary Magdalene and why the concept of original sin which was not part of Jesus original teachings was invented In these pages you will also explore the principle and role of the Mother and the Divine Feminine in East and West from ancient times through the teachings of the Hindus Hebrews Christians Gnostics and others And you will come to see how the story of Mary Magdalene is representative of our own soul s journey and holds valuable keys for your personal spiritual growth and awakening [The Bringer of Life](#) Hayley A. Ramsey, 2023-02-15 Who and what is the divine feminine What does She represent and where can She be found Hayley Ramsey starts at the beginning of time itself and explains the origins of goddess veneration and follows Her history chronologically through the rise and fall of civilizations around the world How did the worship of the goddess affect society What caused the shift from matriarchal society to a patriarchal society What was the relationship between religions such as Christianity and the suppression of the goddess Ramsey will examine the connections between Mary Magdalene Jesus and the Holy Grail while considering the importance of astrological precession Many believe that She disappeared but perhaps Her veneration went underground Ramsey proposes the goddess and Her followers never disappeared but instead She became shrouded in allegory and symbolism by different secret societies that still exist today Is there a connection between the medieval Knights Templar the divine feminine and modern Freemasonry Her secrets and symbols have been used to reveal Her presence to those who know where to look for many millennia but just what exactly are these symbols and where does one find Her today *New Age Movement* Ron Rhodes, 2016-09-06 Reincarnation auras and energizing crystals surely these are the stuff of fairy tales nothing more People don t really speak to ancient Egyptian holy men or listen seriously to
