Modern Sex Education:

Talk about Sex Janice M. Irvine, 2002-09-02 Examining a range of issues played out in living rooms and schools since the 1960s she shows how a newly emerging Christian Right chose sex education as one of its first battlegrounds then went on to dominate the public conversation on the subject *Talk about Sex* is a rich and fascinating consideration of American sex education's strategic place in the long history of efforts to regulate sexual morality by controlling sexual speech BOOK JACKET **The Transformation of American Sex Education** Ellen S. More, 2024-09-03 This book examines Americans' attempts to come to terms with the vexed subject of sex education in the schools from the late 1940s to the early 21st century Using Mary Calderone's life and career as a touchstone it traces the origins of modern sex education in the United States from the work of a group of reformers who coalesced around Calderone to create SIECUS in 1964 through the development and use of the competing approaches known as abstinence based and comprehensive sex education from the 1980s into the 21st century

Modern Sex Education Cloyd J. Julian, Elizabeth Noland Jackson, Nancy S. Simon, 1980-01-01 **The Facts on Sex Education** John Ankerberg, John Weldon, 2011-05-04 Skillfully documents the data for parents the values neutral philosophy of education Planned Parenthood abstinence based programs that work In an age when sex can maim kill parents teachers pastors must learn to evaluate sex education programs and respond in an informed effective manner Too Hot to Handle Jonathan Zimmerman, 2015-02-22 The first comprehensive history of sex education around the world *Too Hot to Handle* is the first truly international history of sex education As Jonathan Zimmerman shows the controversial subject began in the West and spread steadily around the world over the past century As people crossed borders however they joined hands to block sex education from most of their classrooms Examining key players who supported and opposed the sex education movement Zimmerman takes a close look at one of the most debated and divisive hallmarks of modern schooling In the early 1900s the United States pioneered sex education to protect citizens from venereal disease But the American approach came under fire after World War II from European countries which valued individual rights and pleasures over social goals and outcomes In the so called Third World sex education developed in response to the deadly crisis of HIV AIDS By the early 2000s nearly every country in the world addressed sex in its official school curriculum Still Zimmerman demonstrates that sex education never won a sustained foothold parents and religious leaders rejected the subject as an intrusion on their authority while teachers and principals worried that it would undermine their own tenuous powers Despite the overall liberalization of sexual attitudes opposition to sex education increased as the century unfolded Into the present it remains a subject without a home *Too Hot to Handle* presents the stormy development and dilemmas of school based sex education in the modern world Modern Sex Education Cloyd J. Julian, Elizabeth Noland Jackson, Nancy S. Simon, 1980-01-01 **Doing Sex Education** Bonnie Trudell, 2017-06-26 Originally published in 1993 This book takes the reader inside the contested issue of sex education by examining how a sexuality curriculum is actually taught to a ninth

grade health class and how it impacts on both the teacher and students Drawing on observations and interviews with teachers students and other school personnel to capture the complexity and tension of lived classroom culture this volume illustrates the dynamic complex and sometimes contradictory processes by which traditional versions of appropriate sexual behaviour and gender relations are legitimated as well as contested The book describes in detail the classroom knowledge that is produced by the interactions between gendered raced and classed students and teacher the planned curriculum and the social organisation of the school and community The book also tackles the broader issues of how sex education should be taught and even whether it should be taught at all

Sex-education Maurice Alpheus Bigelow, 1916 *Evidence-based Approaches to Sexuality Education* James J. Ponzetti, Jr., 2015-09-16 This is the first book to provide a multidisciplinary and global overview of evidence based sexuality education SE programs and practices Readers are introduced to the fundamentals of creating effective programs to prepare them to design new or implement existing programs that promote healthy sexual attitudes and relationships Noted contributors from various disciplines critically evaluate evidence based programs from around the globe and through the lifespan Examples and discussion questions encourage application of the material Guidance for those who wish to design implement and evaluate SE programs in various social contexts is provided Each chapter follows a consistent structure so readers can easily compare programs Learning Goals Introduction Conclusion Key Points Discussion Questions and Additional Resources The editor taught human sexuality and family life education courses for years This book reviews the key information that his students needed to become competent professionals Highlights of the book s coverage include Interdisciplinary comprehensive summary of evidence based SE programs in one volume Prepares readers for professional practice as a Certified Family Life Educator CFLE or sex educator by highlighting the fundamentals of developing and implementing SE programs Exposes readers to evidence based SE programs from various social contexts including families schools communities and religious institutions Considers the developmental context of SE across the lifespan along with programs for LGBT individuals and persons with disabilities Critically reviews SE programs from around the world including the US Europe Asia Africa Latin America and other developing countries The book opens with an historical overview Part I focus on general frameworks of sexuality education including UNESCO s International Technical Guidelines How to develop deliver and implement evidence based SE programs including ethical concerns are explored in Part II Part III exposes readers to evidence based programs in various social contexts families schools communities and religious institutions Part IV considers the developmental context of SE from early childhood through adolescence and adulthood along with programs for LGBT individuals and persons with disabilities Part V examines diverse global contexts from the US Latin America Europe Asia Africa and other developing countries The book concludes with future trends and directions Ideal for graduate or advanced undergraduate courses in sex education sexual health human sexuality sex or marriage counseling intimate relationships family life education or home school and community

services taught in human development and family studies psychology social work health education nursing education and religion and in seminaries and family clinics the book also serves as a resource for practitioners counselors researchers clergy members and policy makers interested in evidence based SE programs or those seeking to become CFLEs or sexuality educators

A Guide to Life Sex Education, 2021-10-12 The official no nonsense sex syllabus you always wanted From the Netflix sensation SEX EDUCATION with a foreword from the show's creator Laurie Nunn Questioning your body Not sure about how you feel Or worried if that thing is normal Unlikely educator Otis Milburn and his beloved friends are back in this frank feminist and positive guide to life Covering everything from understanding your anatomy feeling confident about how you look and understanding how you feel to consent sexuality and the minefield that is modern love this guide answers all the questions you're too scared to ask in a language you understand With insight from your favourite characters therapy notes diagrams tips takeaways and a whole lot of fun this book is both a companion to the show and a practical guide to navigating the real world This book has been checked by experts including doctors sex therapists and sensitivity readers Recommended age 14

Shaping Sexual Knowledge Lutz Sauerteig, Roger Davidson, 2009-01-13 The history of sex education enables us to gain valuable insights into the cultural constructions of what different societies have defined as normal sexuality and sexual health Yet the history of sex education has only recently attracted the full attention of historians of modern sexuality *Shaping Sexual Knowledge A Cultural History of Sex Education in Twentieth Century Europe* makes a considerable contribution not only to the cultural history of sexual enlightenment and identity in modern Europe but also to the history of childhood and adolescence The essays collected in this volume treat sex education in the broadest sense incorporating all aspects of the formal and informal shaping of sexual knowledge and awareness of the young The volume therefore not only addresses officially sanctioned and regulated sex education delivered within the school system and regulated by the State and in some cases the Church but also the content iconography and experience of sexual enlightenment within the private sphere of the family and as portrayed through the media

Sex-Education: a Series of Lectures Concerning Knowledge of Sex in Its Relation to Human Life Maurice Alpheus Bigelow, 1916-01-01

The Transformation of American Sex Education Ellen Singer More, 2021 A comprehensive history of the battle over sex education in the United States Mid century America had a problem talking about sex Dr Mary Calderone first diagnosed this condition and in 1964 led the uphill battle to de stigmatize sex education Supporters hailed her as the grandmother of modern sex education while her detractors painted her as an aging libertine but both could agree that she was quickly shaping the way sex was discussed in the classroom Part biography part social history *The Transformation of American Sex Education* for the first time situates Dr Mary Calderone at the center of decades of political cultural and religious conflict in the fight for comprehensive sex education Ellen S More examines Americans attempts to come to terms with the vexed subject of sex education in schools from the late 1940s to the early twenty first century Using Mary Calderone's life and career as a touchstone she traces the origins of modern sex education in

the United States from the work of a group of reformers who coalesced around Calderone to create the Sexuality Information and Education Council of the United States SIECUS in 1964 to the development and use of the competing approaches known as abstinence based and comprehensive sex education from the 1980s into the twenty first century A fascinating and timely read *The Transformation of American Sex Education* provides a substantial contribution to the history of one of America's most intense and protracted culture wars and the first account of the woman who fought those battles ***Sex Education Gaps*** Olivia Parker, AI, 2025-01-08 *Sex Education Gaps* presents a comprehensive analysis of global disparities in reproductive health education and their significant impact on public health outcomes Drawing from two decades of research across 75 countries the book reveals the crucial connection between quality sex education and improved health metrics including reduced teenage pregnancy rates and lower STI prevalence Through a careful examination of both successful and failed approaches the work demonstrates how standardized comprehensive sex education programs can substantially improve global health outcomes while reducing healthcare costs The book uniquely combines historical context with modern challenges tracing the evolution of sex education from the early 20th century through the transformative AIDS crisis of the 1980s to today's digital age It presents compelling evidence through a mix of epidemiological studies and educational research while maintaining accessibility for healthcare professionals educators and policymakers The analysis particularly stands out for its extensive use of data from the World Health Organization and various national health institutes providing concrete evidence for its recommendations Progressing through four main sections the book moves from assessing current educational gaps to analyzing successful programs examining implementation barriers and offering detailed improvement recommendations What makes this work especially valuable is its practical approach providing actionable strategies for various contexts from resource limited settings to technologically advanced environments The interdisciplinary perspective connects public health education sociology and psychology offering a holistic view of how reproductive health education influences broader social outcomes ***Sex Education*** Randy Engel, 1993-09 Proves why classroom sex education is always wrong and always harmful that it destroys modesty awakens the passions promotes sexual activity and fosters acceptance of sexual sins Shows where it comes from who promotes it that it is all pervasive Gives the Church's position that sex education is the right and duty of parents only which may be delegated to others but never usurped A must for parents teachers and priests ***Pedagogies of Possibility for Negotiating Sexuality Education with Young People*** Debbie Ollis, Leanne Coll, Lyn Harrison, Bruce Johnson, 2022-02-28 *Pedagogies of Possibility for Negotiating Sexuality Education with Young People* offers a sustained and critical consideration of the possibilities and politics of engaging with young people in the redevelopment and delivery of contemporary approaches to Sexuality Education ***Sex Education: A Guide To Life - The Official Netflix Show Companion*** Sex Education, 2021-10-14 The official no nonsense sex syllabus and guide to life you always wanted From the Netflix sensation SEX EDUCATION with a foreword from the show's creator Laurie Nunn With insight from your

favourite characters tips takeaways and some enlightening diagrams the guide covers everything you need to know from understanding your anatomy feeling confident about how you look and rejecting shame to consent sexuality and the minefield that is modern love Both a perfect companion to the show and practical guide to navigating the real world this guide answers all the questions we are too scared to ask in the show s uniquely hilarious fun and yet sensitive language that we have come to know and love So dive in and start talking shouting and maybe even screaming about s e x This book has been checked by experts including doctors sex therapists and more Recommended age 14 **Modern Sex Education** Cloyd J.

Julian,Elizabeth Noland Jackson,1972 *Progressive Sexuality Education* Mary Lou Rasmussen,2015-10-05 This book engages contemporary debates about the notion of secularism outside of the field of education in order to consider how secularism shapes the formation of progressive sexuality education Focusing on the US Canada Ireland Aotearoa New Zealand and Australia this text considers the affinities prejudices and attachments of scholars who advocate secular worldviews in the context of sexuality education and some of the consequences that ensue from these ways of seeing This study identifies and interrogates how secularism infuses progressive sexuality education It asks readers to consider their own investments in particular ways of thinking and researching in the field of sexuality education and to think about how these investments have developed and how they shape existing discourses within the field of sexuality education It hones in on how progressive sexuality education has come to develop in the way that it has and how this relates to conceits of secularism This book prompts a consideration of how progressive scholarship and practice might get in the way of meaningful conversations with students teachers and peers who think differently about the field of sexuality education *Worldwide Perspectives on Lesbians, Gays, and Bisexuals* Paula Gerber Ph.D.,2021-01-26 This three volume set is a rich resource for readers in any discipline interested in understanding the global regional and domestic experiences of LGB people This interdisciplinary set makes a vital contribution to understanding how LGB rights are progressing and in some cases regressing around the globe The three volumes look at the lived experiences of LGB people from varied perspectives and provide comprehensive coverage on a wide variety of topics ranging from LGB youth and LGB aging to the approaches to LGB people of different religions including Islam Judaism and Christianity Chapters focus on topics including the ongoing criminalization of same sex sexual conduct and how international human rights law can be used to improve the lives of LGB people Particular attention is paid to the rights of bisexuals a group often ignored in works focusing on sexual orientation Volume 1 focuses on history politics and culture relating to LGB people Volume 2 focuses on the laws domestic and international governing LGB people and Volume 3 provides snapshots of the current state of LGB experience in countries worldwide presented by geographical region Europe the Americas Africa the Middle East and the Asia Pacific region
