Modern Times:

Re-embodiment and Rethinking Greek and Roman Drama in Modern Times, 2025-01-20 Rooted in a range of approaches to the reception of classical drama the chapters in this book reflect in one way or another that Greek and Roman drama in performance is an ongoing dialogue between the cultures of the original and the target culture of its translation adaptation performance The individual case studies highlight the various ways in which the tradition of Greek and Roman plays in performance has been extremely productive but also the ways in which it has engaged at times dangerously in political and social discourse

The Rise of Commercial Empires David Ormrod, 2003-03-13 A work of major importance for the economic history of both Europe and North America *Owen Barfield* Simon Blaxland-de Lange, 2006 Owen Barfield philosopher author poet and critic was a founding member of the Inklings group the private Oxford society that included the leading literary figures C S Lewis J R R Tolkien and Charles Williams C S Lewis who was greatly affected by Barfield during their long friendship wrote of their many heated debates I think he changed me a good deal more than I him Simon Blaxland de Lange's biography the first on Owen Barfield to be published was written with the active cooperation of Barfield who before his death in 1997 gave numerous interviews to the author as well as lending a large quantity of his papers and manuscripts The fruit of this collaboration is a book that penetrates deeply into the life and thought of one of the most important figures of the twentieth century It studies the influences on Barfield by the Romantic poet Coleridge and the philosopher Rudolf Steiner founder of Anthroposophy and focuses on Barfield's profound personal connection with C S Lewis The book also features a biographical sketch in his own words based on the personally conducted interviews and describes his strong relationship with North America and his dual profession as a lawyer and writer *THE CAPITALIST SOCIETY* XING

YU, 2021-12-13 This book describes the formation of civilized society from the perspective of the analysis of the role played by language and media and hence explains the formation and evolution of the capitalist society from the perspective of language and media It argues that linguistic presentations given by using language serve as a basis for humans to define the private property right to engage in market exchange to establish wage labor system to exploit science and technology in production and to organize socialized production It clarifies the reason for the distinction between the rich and the poor in the capitalist society in a special way against Marx's theory of surplus value and asserts the wage labor system is a cooperative system It also discusses the relations of social classes and the relations between democracy and dictatorship as well as the origin of the state from the perspective of language and media different from Marx's view in these respects It offers a unique view about the capitalist society This view may help humans deepen their understanding of capitalism *Nietzsche, Wagner, Europe* Martine Prange, 2013-08-29 Friedrich Nietzsche 1844 1900 supported the unification of Europe and reflected on this like few other philosophers before or after him Many of his works are concerned with the present state and future of European culture and humanity Resisting the nationalist nonsense and politics of dissolution of his day he advocated the

birth of good Europeans i.e. supra national individuals and the amalgamation of nations Nietzsche Wagner Europe analyzes the development of Friedrich Nietzsche's ideal of European culture based on his musical aesthetics It does so against the background of contemporary searches for a wider cultural meaning beyond Europe's economic political union The book claims that Nietzsche always propagated the aestheticization of Europe but that his view on how to achieve this changed as a result of his dramatically altering philosophy of music The main focus is on Nietzsche's passion for and later aversion to Wagner's music and in direct connection with this his surprising embrace of Italian operas as new forms of Dionysian music and of Goethe as a model of Good Europeanism
