actual and perceived weaknesses of political and state structures For some religious and ethnic mobilisation has provided a means of protest where representative institutions failed For others it became a method of dealing with an uncertain political and economic future For many it has no concrete or deliberate function but has effectively upheld social stability paternalism and local power in the face of globalisation and the growing aspirations of the region s most underprivileged citizens

**War, Culture and Society in Early Modern South Asia, 1740-1849** Kaushik Roy, 2011-03-30 This book argues that the role of the British East India Company in transforming warfare in South Asia has been

overestimated Although it agrees with conventional wisdom that before the British the nature of Indian society made it difficult for central authorities to establish themselves fully and develop a monopoly over armed force the book argues that changes to warfare in South Asia were more gradual and the result of more complicated socio economic forces than has been hitherto acknowledged The book covers the period from 1740 when the British first became a major power broker in south India to 1849 when the British eliminated the last substantial indigenous kingdom in the sub continent Placing South Asian military history in a global comparative context it examines military innovations armies and how they conducted themselves navies and naval warfare major Indian military powers such as the Mysore and Khalsa kingdoms the Maratha confederacy and the British explaining why they succeeded *State, Nation and Ethnicity in Contemporary South Asia* Ishtiaq Ahmed,1998-01-01 Preface **The Long Partition and the Making of Modern South Asia** Vazira Fazila-Yacoobali Zamindar,2010 Asian history Political Change in modern South Asia John Gallagher,Anil Seal,1968
