The Provincetown Players and the Culture of Modernity Brenda Murphy, 2005-12 A study of the most influential theatre group of the twentieth century the Provincetown Players

Women Writers of the Provincetown Players Judith E. Barlow, 2009-10-21 Women Writers of the Provincetown Players features thirteen short plays written by women and performed by America's most influential early twentieth century noncommercial theater the Provincetown Players From their beginnings on Cape Cod in 1915 to their disbanding in New York City in 1922 the Players staged nearly one hundred dramas roughly a third of which were composed by women and in the process changed American drama and theater forever Dedicated to fostering new work by Americans the group attracted an impressive collection of talented writers and among its offerings were some of the first modernist plays written in the United States Chosen for both their artistic merit and their cultural importance the plays included here range from naturalistic tragedies to poetic allegories to witty satires and together they provide a valuable look at women's concerns during a period of intense civil rights activity just prior to the granting of female suffrage In addition to works by well known writers like Susan Glaspell Djuna Barnes and Edna St Vincent Millay the book also includes works by such significant but lesser known figures as Neith Boyce Louise Bryant Rita McCann Wellman and Alice Rostetter as well as critical biographical prefaces to each play and an introduction that explains the importance of these plays and the role of early twentieth century women playwrights in American theater history

Staging America Jeffery Kennedy, 2023-01-24 A comprehensive history of the Provincetown Players and their influence on modern American theatre The Provincetown Players created a revolution in American theatre making room for truly modern approaches to playwriting stage production and performance unlike anything that characterized the commercial theatre of the early twentieth century In *Staging America The Artistic Legacy of the Provincetown Players* Jeffery Kennedy gives readers the unabridged story in a meticulously researched and comprehensive narrative that sheds new light on the history of the Provincetown Players This study draws on many new

sources that have only become available in the last three decades this new material modifies refutes and enhances many aspects of previous studies At the center of the study is an extensive account of the career of George Cram Cook the Players leader and artistic conscience as well as one of the most significant facilitators of modernist writing in early twentieth century American literature and theatre It traces Cook s mission of cultural patriotism which drove him toward creating a uniquely American identity in theatre Kennedy also focuses on the group of friends he calls the Regulars perhaps the most radical collection of minds in America at the time they encouraged Cook to launch the Players in Provincetown in the summer of 1915 and instigated the move to New York City in fall 1916 Kennedy has paid particular attention to the many legends connected to the group such as the discovery of Eugene O Neill and also adds to the biographical record of the Players forty seven playwrights including Susan Glaspell Neith Boyce Edna St Vincent Millay Floyd Dell Rita Wellman Mike Gold Djuna Barnes and John Reed Kennedy also examines other fascinating artistic literary and historical personalities who crossed the Players paths including Emma Goldman Charles Demuth Berenice Abbott Sophie Treadwell Theodore Dreiser Claudette Colbert and Charlie Chaplin Kennedy highlights the revolutionary nature of those living in bohemian Greenwich Village who were at the heart of the Players and the America they were responding to in their plays *Until Choice Do Us Part* Clare Virginia Eby,2014-01-06 For centuries people have been thinking and writing and fiercely debating about the meaning of marriage Just a hundred years ago Progressive era reformers embraced marriage not as a time honored repository for conservative values but as a tool for social change In *Until Choice Do Us Part* Clare Virginia Eby offers a new account of marriage as it appeared in fiction journalism legal decisions scholarly work and private correspondence at the turn into the twentieth century She begins with reformers like sexologist Havelock Ellis anthropologist Elsie Clews Parsons and feminist Charlotte Perkins Gilman who argued that spouses should be class equals joined by private affection not public sanction Then Eby guides us through the stories of three literary couples Upton and Meta Fuller Sinclair Theodore and Sara White Dreiser and Neith Boyce and Hutchins Hapgood who sought to reform marriage in their lives and in their writings with mixed results With this focus on the intimate side of married life Eby views a historical moment that changed the nature of American marriage and that continues to shape marital norms today *From Greenwich Village to Taos* Flannery Burke,2016-01-22 They all came to Taos Georgia O Keefe D H Lawrence Carl Van Vechten and other expatriates of New York City Fleeing urban ugliness they moved west between 1917 and 1929 to join the community that art patron Mabel Dodge created in her Taos salon and to draw inspiration from New Mexico s mountain desert and primitive peoples As they settled their quest for the primitive forged a link between authentic places and those who called them home In this first book to consider Dodge and her visitors from a New Mexican perspective Flannery Burke shows how these cultural mavens drew on modernist concepts of primitivism to construct their personal visions and cultural agendas In each chapter she presents a place as it took shape for a different individual within Dodge s orbit From this kaleidoscope of places emerges a vision of what place meant to

modernist artists as well as a narrative of what happened in the real place of New Mexico when visitors decided it was where they belonged Expanding the picture of early American modernism beyond New York's dominance she shows that these newcomers believed Taos was the place they had set out to find and that when Taos failed to meet their expectations they changed Taos Throughout Burke examines the ways notions of primitivism unfolded as Dodge's salon attracted artists of varying ethnicities and the ways that patronage was perceived by African American writers seeking publication Anglos seeking authentic material Native American artists seeking patronage or Nuevomexicanos simply seeking respect She considers the notion of competitive primitivism especially regarding Carl Van Vechten and offers nuanced analyses of divisions within northern New Mexico's arts communities over land issues and of the ways in which Pueblo Indians spoke on their own behalf Burke's book offers a portrait of a place as it took shape both aesthetically in the imaginations of Dodge's visitors and materially in the lives of everyday New Mexicans It clearly shows that no people or places stand outside the modern world and that when we pretend otherwise those people and places inevitably suffer
