## **Modernist Sexualities:**

Modernist Sexualities Hugh Stevens, Caroline Howlett, 2000 Leading critics from Britain Canada and the US examine modernism's imaginative rethinkings of sex gender and sexuality Original essays show how modernism intersects with the suffragette movement technological change and its effects on women and labor the growth of pseudo scientific writings and the burgeoning lesbian and gay movement They show how modernism upsets the fixities of gender and sexuality through its fascination with ambiguities marginality and the crossing of borders Sex reformers and sex changers unsexed storytellers typewriters femme and butch experimenters suffragettes in wide brimmed hats musical and dramatic pageants adolescent delinquents sunbathers and dancing indigenes all play a role in the heterodox and varied modernism revealed in these essays

Cosopolitan Sexualities Ken Plummer, 2016-09-26 How are we to live with the wide varieties of sexuality and gender found across the rapidly changing global order Whilst some countries have legislated in favour of same sex marriage and the United Nations makes declarations about gender and sexual equality many countries across the world employ punitive responses to such differences In this compelling and original study Ken Plummer argues the need for a practical utopian project of hope that he calls cosmopolitan sexualities He asks how can we connect our differences with collective values our uniqueness with multiple group belonging our sexual and gendered individualities with a broader common humanity Showing how a foundation for this new ethics politics and imagination are evolving across the world he discusses the many possible pitfalls being encountered He highlights the complexity of sexual and gender cultures the ubiquity of human conflict the difficulties of dialogue and the problems with finding any common ground for our humanity Cosmopolitan Sexualities takes a bold critical humanist view and argues the need for positive norms to guide us into the future Highlighting the vulnerability of the human being Plummer goes in search of historically grounded and potentially global human values like empathy and sympathy care and kindness dignity and rights human flourishing and social justice These harbour visions of what is acceptable and unacceptable in the sexual and intimate life Clearly written the book speaks to important issues of our time and will interest all those who are struggling to find ways to live together well in spite of our different genders and sexualities

Chatterley's Lover von D H Lawrence wird die Rolle der Frau in der Ehe und die Bedeutung ihrer Sexualität analysiert und in Bezug zu damaligen Normen und Wertevorstellungen gesetzt

**A Companion to Modernist Literature and Culture**  
David Bradshaw, Kevin J. H. Dettmar, 2008-04-15 The Companion combines a broad grounding in the essential texts and contexts of the modernist movement with the unique insights of scholars whose careers have been devoted to the study of

modernism An essential resource for students and teachers of modernist literature and culture Broad in scope and comprehensive in coverage Includes more than 60 contributions from some of the most distinguished modernist scholars on both sides of the Atlantic Brings together entries on elements of modernist culture contemporary intellectual and aesthetic movements and all the genres of modernist writing and art Features 25 essays on the signal texts of modernist literature from James Joyce's *Ulysses* to Zora Neale Hurston's *Their Eyes Were Watching God* Pays close attention to both British and American modernism

**Sexuality in Modern German History** Katie Sutton, 2023-01-12 Sexuality in Modern German History offers both a detailed survey of this key subject and a new intervention in the history of sexuality in modern Germany It investigates the diverse and often contradictory ways in which individuals activists doctors politicians artists church leaders reform movements and cultural commentators have defined normal or natural sexuality in Germany over the past two centuries Katie Sutton explores how these definitions have been used to shape identities behaviours bodies and practices from norms of heterosexual marital reproductive sex to ideas around the policing and categorisation of unnatural or deviant bodies and practices Covering a range of crucial themes including birth control prostitution queer and trans rights and heterosexual intimacy this important text comes with 30 illustrations and a wealth of primary source extracts and secondary literature helpfully integrated to enable further insight and analysis This is a vital volume for all students and scholars with an interest in modern Germany or the history of sexuality in modern Europe

*The Cambridge Companion to the Modernist Novel* Morag Shiach, 2007-04-19 The novel is modernism's most vital and experimental genre With a chronology and guide to further reading this 2007 Companion is an accessible and informative overview of the genre

*The Cambridge Companion to Modernist Poetry* Alex Davis, Lee M. Jenkins, 2007-07-19 This Companion offers the most comprehensive overview available of modernist poetry its forms its major authors and its contexts The first part explores the historical and cultural contexts and sexual politics of literary modernism and the avant garde The chapters in the second part concentrate on individual authors and movements while the concluding part offers a comprehensive overview of the early reception and subsequent canonisation of modernist poetry As well as insightful readings of canonical poets the Companion features extended discussions of poets whose importance is now being increasingly recognised such as Mina Loy poets of the Harlem Renaissance and postcolonial poets in the Caribbean Africa and India While modernist poets are often thought of as difficult these essays will help students to understand and enjoy their experimental playful and fascinating responses to contemporary social and cultural change and their dialogue with the arts and with each other

**Sexology and Translation** Heike Bauer, 2015-10 Examines the shape and shaping of sexual ideas and related scientific practices and cultural representations in parts of Europe Asia the Middle East and South America between the late 19th century and the years leading up to World War II offering insights on the intersections between sexuality and modernity in a range of disciplinary cultural and transnational contexts

**Cultures of the Death Drive** Esther Sánchez-Pardo, 2003-05-01 A study of melancholia sexuality and

representation in literary and visual texts that can be read at the crossroads of psychoanalysis and the arts in modernism

Body, Sexuality, and Gender Flora Veit-Wild, Dirk Naguschewski, 2005 Contains reflections on body sexuality and gender in African literary texts While the sections Gifted Bodies and Queered Bodies show new developments in viewing body and sexuality as creative powers the sections Tainted Bodies and Violated Bodies comprise essays that investigate the exposure of the body to physical aggression and other traumatic experiences     *Celibacies* Benjamin Kahan, 2013-11-25 In this innovative study Benjamin Kahan traces the elusive history of modern celibacy Arguing that celibacy is a distinct sexuality with its own practices and pleasures Kahan shows it to be much more than the renunciation of sex or a cover for homosexuality Celibacies focuses on a diverse group of authors social activists and artists spanning from the suffragettes to Henry James and from the Harlem Renaissance s Father Divine to Andy Warhol This array of figures reveals the many varieties of celibacy that have until now escaped scholars of literary modernism and sexuality Ultimately this book wrests the discussion of celibacy and sexual restraint away from social and religious conservatism resituating celibacy within a history of political protest and artistic experimentation Celibacies offers an entirely new perspective on this little understood sexual identity and initiates a profound reconsideration of the nature and constitution of sexuality     **International Bibliography of Sociology** Compiled by the British Library of Political and Economic Science, 2002-12 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences     *Literature in the First Media Age* David Trotter, 2013-12-31 Communications technology is an idea about the prosthetic enhancement of our capacity to communicate Some of the writers who first woke up to this fact lived and wrote in Britain between the World Wars Here David Trotter creates a new literary canon of works distinguished by their alertness to the implications of new media and materials     **Gender and Sexuality** Chris Beasley, 2005-05-20 About various theories of gender sexuality feminism and masculinity including queer theory transgender theorizing modernist liberationism and social constructionism     **Eileen Gray and the Design of Sapphic Modernity** Jasmine Rault, 2017-07-05 The first book length feminist analysis of Eileen Gray s work Eileen Gray and the Design of Sapphic Modernity Staying In argues that Gray s unusual architecture and design as well as its history of abuse and neglect emerged from her involvement with cultures of sapphic modernism Bringing together a range of theoretical and historical sources from architecture and design communication and media to gender and sexuality studies Jasmine Rault shows that Gray shared with many of her female contemporaries a commitment to designing spaces for sexually dissident modernity This volume examines Gray s early lacquer work and Romaine Brooks earliest nude paintings Gray s first built house E 1027 in relation to Radclyffe Hall and her novel The Well of Loneliness and Gray s private house Tempe nbsp Pailla with Djuna Barnes Nightwood While both female sexual dissidence and modernist architecture were reduced to rigid identities through mass media women such as Gray Brooks Hall and Barnes resisted the clarity of such identities with opaque

non communicative aesthetics Rault demonstrates that by defying the modern imperative to publicity clarity and identity Gray helped design a sapphic modernity that cultivated the dynamism of uncertain bodies and unfixed pleasures which depended on staying in rather than coming out     **Modernism and Perversion** A. Schaffner,2015-12-11 Charting the construction of sexual perversions in nineteenth and early twentieth century medical psychiatric and psychological discourse Schaffner argues that sexologists preoccupation with these perversions was a response to specifically modern concerns and illuminates the role of literary texts in the formation of sexological knowledge     **English Literary Sexology** H. Bauer,2009-04-30 It is well known that much of our modern vocabulary of sex emerged within nineteenth century German sexology But how were the German ideas translated and transmitted into English culture This study provides an examination of the formation of sexual theory between the 1860s and 1930s and its migration across national and disciplinary boundaries

**The Hirschfeld Archives** Heike Bauer,2017-05-15 This work examines how death suicide and violence shaped modern queer culture arguing that negative experiences as much as affirmative subculture formation influenced the emergence of a collective sense of same sex identity Bauer looks for this history of violence in the work and reception of the influential sexologist Magnus Hirschfeld 1868 1935 and through Hirschfeld's work examines the form and collective impact of anti queer violence in the first half of the twentieth century Hirschfeld's archive his library at the Institute for Sexual Sciences in Berlin was destroyed by the Nazis in 1933 so the archive of Bauer's title is one that she's built from over a hundred published and unpublished books articles films and photographs     **Sex, Sexuality, Law, and (In)justice** Henry Fradella,Jennifer Sumner,2016-02-26 Sex Sexuality Law and In Justice covers a wide range of legal issues associated with sexuality gender reproduction and identity These are critical and sensitive issues that law enforcement and other criminal justice professionals need to understand The book synthesizes the literature across a wide breadth of perspectives exposing students to law psychology criminal justice sociology philosophy history and where relevant biology to critically examine the social control of sex gender and sexuality across history Specific federal and state case law and statutes are integrated throughout the book but the text moves beyond the intersection between law and sexuality to focus just as much on social science as it does on law This book will be useful in teaching courses in a range of disciplines especially criminology and criminal justice history political science sociology women and gender studies and law     **The Cambridge Companion to American Modernism** Walter Kalaidjian,2005-04-28 The Cambridge Companion to American Modernism provides a comprehensive and authoritative overview of American literary modernism from 1890 to 1939 These original essays by twelve distinguished scholars of international reputation offer critical overviews of the major genres literary culture and social contexts that define the current state of Modern American literature and cultural studies Among the diverse topics covered are nationalism race gender and the impact of music and visual arts on literary modernism as well as overviews of the achievements of American modernism in fiction poetry and drama The book concludes with a chapter on modern

American criticism An essential reference guide to the field the Companion offers readers a chronology of key events and publication dates covering the first half of the twentieth century in the United States and an up to date bibliography of further reading organized by chapter topics

## **Modernist Sexualities Introduction**

In todays digital age, the availability of Modernist Sexualities books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Modernist Sexualities books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Modernist Sexualities books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Modernist Sexualities versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Modernist Sexualities books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Modernist Sexualities books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Modernist Sexualities books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Modernist Sexualities books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Modernist Sexualities books and manuals for download and embark on your journey of knowledge?
